

CURRENT WATER OUTAGES AND BOIL WATER ORDERS

(If you are under a boil order, please boil your drinking and cooking water before using.)

September 3, 2008

3:00pm

Due to a large water main break, there will be no water available for the following areas until late this evening:

Hickory Hill Drive

Due to a large water main break, the Town of Nashville/ Nashville Utilities has issued a **BOIL ORDER** for the following areas:

Hickory Hill Drive

Residents affected in these areas are asked to boil their drinking and cooking water until Tuesday, September 9, 2008 until 4:00 p.m.

Nashville Utilities has contacted the customers they feel will be affected by this boil order, but any customers in the mentioned area(s) who may experience low pressure or have a loss of service are asked to contact the Nashville Utilities at (812) 988-5526.
