No meeting held in February 2007 due to weather. All Members were advised of this.

Items discussed:

Security Camera – Mike states that he has witnessed kids congregating in the Old School Way parking lot after 5:00 p.m. Mike suggested we start locking the parking lot as soon as the restrooms get cleaned. Restrooms at this time are being locked at 6:00 p.m. Committee would like to have the security cameras installed as soon as possible. Mike also suggested we put up the chain & lock like we have in the past. Cheryl stated the sign indicates the parking lot is closed at midnight. Suggestion made to have a new sign made up stating parking lot will be closed at 6:00 p.m. Question on what would happen to those vehicles left in lot after 6:00 p.m.? A suggestion was made for them to contact the officer on duty by placing the phone number on the sign.

Restroom Attendant Contract – Committee discussed whether Cheryl should purchase her own cleaning supplies or leave it the way it is stated in the contract. In section 5 on page 2, CLEANING MATERIALS AND EQUIPMENT – “The Town shall provide all cleaning materials and equipment as agreed upon by the parties in writing. The Town shall supply the necessary supplies.” Therefore the Committee agreed to leave the contract as is.

Committee also agreed on the 3% wage increase for 2007, retroactive back to January 2007.
