

FOOD & BEVERAGE MEETING
APRIL 11, 2006
7:00 P.M.

ATTENDANCE: Lamond Martin, Gloria Dobbs, Sean Cassiday, Phyllis Carr

Meeting called to order by Lamond Martin.

Discussion of the school parking lot. A letter was sent to Doug Cauble regarding the renewal of the contract between the School Corporation and the Town of Nashville. Also mentioned in the letter, was asking for the School's approval for the Town to enforce the parking issues we have been experiencing. At the time, we had not received a response back from the School Corporation and was interested in their opinion on this issue. Phyllis made contact with Doug, who stated he was waiting to hear back from Lamond and that a letter had been drafted to the School Board and this issue would be discussed at the School Board meeting scheduled on April 20, 2006. At which time, Doug would advise us of the School Board's decision.

Phyllis reported to the members, that school kids were removing the rope at the Old School Way Restrooms to park, once in the lot, they replace the rope (Merchants have been doing the same). Sean stated he had seen suspicious behavior going on at the restrooms while he was working on a business. It is the consensus of the members to see if the Police would do extra patrol in this area before, during & after school. Phyllis to speak to Officer Robinson regarding the extra patrol.

Lamond updated the Committee on the Antique Alley Restrooms: Lamond has installed the new lights. He placed 4' fluorescent lights within the women's & men's restrooms. By doing this has made a huge improvement in the lighting of both restrooms.

There was some discussion of the restroom key that was given to Mike Cline. Phyllis advised that Mike was the "keeper of the key" and that all business owners in the area signed an agreement stating Mike would be the only business owner with the key. Mike also signed an agreement with the Administration Office indicating he would be responsible for the key. This agreement is on file at the Town Administration Office if anyone is interested in reviewing it.

Lamond advised that the owner of the Pine Box Theatre was back in town. Bob Hamontre contacted Lamond and stated he would like to be kept informed of the Committee's interest in the purchase of this property. After reviewing the March 06 Council Meeting notes, Phyllis is to contact Jim Roberts, Town Attorney, regarding the draft letter/offer he was to type up for this property.

With nothing further to discuss, the meeting was adjourned at 7:50 p.m.
