

**FOOD & BEVERAGE MEETING**

**APRIL 8, 2008**

**7:00 P.M.**

**Attendance:** Lamond Martin, Sean Cassiday, Diana Boose, Gloria Dobbs, Matt Gray, Phyllis Carr

Meeting was called to order by Lamond Martin.

Washington Street Parking Lot – emergency entrance/exit opened to lot for residents to use lot during flood event. Concrete blocks have been moved to allow vehicles to enter & exit, and when not in use, a chain will be placed through the opening to prevent traffic from using. Apparently pedestrians don't have enough room to maneuver around the chain. It was asked for another solution to this issue. After further discussion, it was decided to leave the chain in place.

Old School Way Parking Lot – erosion caused from the clogged gutters. Matt ask that these get cleaned out. Phyllis advised she would write up the work orders to have this done & that Judi Millikan (maintains flower beds) will be working on repairing the flower beds at Old School Way & Mound Street Restrooms.

Police in Restrooms – Update on status of patrol. Vandalism down ever since the Police Dept. started surveillance from the storage rooms. Phyllis advised the Committee of the last incident that occurred in the women's restroom at Old School Way. The Police Dept. contacted Cheryl (restroom attendant) about the incident.

Phyllis is to type up the "Purchase Agreement" for the Robert's property. She will fax to Jim Roberts, Town Attorney for review & approval.

March 2008 minutes were reviewed. Some changes need to be made. Phyllis will make changes & fax to Lamond for approval.

With nothing further to discuss, the meeting was adjourned at 7:50 p.m.
