

**FOOD & BEVERAGE MEETING
OCTOBER 13, 2009
7:00 P.M.**

ATTENDANCE: Diane Boose, Gloria Dobbs, Lamond Martin, Marshal Stephanie Loerzel, Cheryl Unger, Phyllis Carr

Meeting called to order by Lamond Martin.

The Marshal asked about the activity at the Old School Way Restrooms. Officers are down in this area constantly due to the intimidation of the tourist by kids. Lamond advised he had received several complaints of kids parking in the lot during school hours. Phyllis advised the post has been set. The chain & sign have been installed, but we are unable to lock up at this time, due to allowing enough time for the post to set in the concrete.

Lamond asked opinions from those in attendance about installing surveillance cameras in the public facilities. This may detour some activities, but there has not been a lot of vandalism in some time per Cheryl. Cheryl did state that sometimes 2 – 3 people have been seen coming out of the Family Restroom (kids). Cameras would show the entire parking lot with the restrooms included. Could install signage indicating cameras are installed. Lamond will bring this topic up at the Town Council meeting.

Lamond asked that letters be sent to the five (5) residents who park in the Pittman House Lane parking lot. Sign states “No Overnight Parking”. Phyllis is to get names & addresses of the residents and send letters.

Diane made a motion to approve the August 11, 2009 Food & Beverage meeting minutes. Gloria seconded, motion carried.

Discussion of the Restroom Attendant contract. Cheryl submitted her daily task list so this information could be placed into the contract. Phyllis to type new contract up, then have Lamond & Cheryl both review to make sure all information is included for the bid process. Phyllis will type up new ad for bid process.

Discussion of the possible purchase of the Jay Carter parking lot on Pat Reilly. Lamond will speak to Jay to see if he is still interested in selling. If so, Lamond will recommend to the Town Council of such purchase. If approved, Phyllis is to request appraisals from area Appraisal companies.

Review of the financial information.

With nothing further to discuss, the meeting was adjourned at 8:06 p.m.
