FROM: Nashville Tree Board

SUBJECT: TREE BOARD MEETING

The Nashville Tree Board was scheduled to meet on Thursday, April 10, at 8:30 a.m. at the Town Hall. In attendance were Bruce Gould, John Davis, and Phyllis Carr.

John advised that he is ready to start the tree inventory for the downtown area and will contact Matt Baldwin to schedule times.

Bruce resubmitted a list of trees that need to be removed and a priority for removal. Phyllis advised that a work order had already been submitted for one of the trees.

Phyllis provided a list of stumps to be removed so we can plan on those locations for prospective new trees.

John and Matt will make a list of "native" trees suitable for planting in town and those species will be selected for future plantings instead of ornamental varieties.

The meeting adjourned at 9:15.
