SUBJECT: TREE BOARD MEETING

A Tree Board meeting was scheduled for October 9, 2008, at 8:30 am at the Nashville Town Hall. In attendance were Jim Eagleman, David Keihn (an intern at the park), Cathy Paradise, and Phyllis Carr.

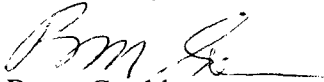

John Davis is still being expected to complete a tree inventory of the town.

Phyllis is working on the Tree City, USA annual recertification paperwork.

Jim Eagleman discussed a new program sponsored by the National Wildlife Federation that includes "community" feeding stations for birds and encourages natural landscaping to attract birds, butterflies, and other wildlife.

Roger Bush will be asked about Tree City USA signage for placement on the highways.
