COMMISSION BUSINESS

1) CALL TO ORDER

Work session called to order at 3:30 pm.

2) ROLL CALL

Each Member introduced themselves. Commission Members welcomed Torrie to the Board.

3) WORK SESSION DISCUSSION

Administration Manager Carr advised the cabin has been fully removed. The Street Superintendent asked if the Commission wanted the concrete slab left from the cabin removed or were they using it for the sign. Administration Manager Carr stated the concrete slab sits further away from the proposed Lincoln Pinch Park sign location. It also has some holes that could cause tripping issues. After further discussion, the Commission Members present will look at the concrete slab and will contact Administration Manager Carr with their findings.

Question on why the Town Park was named Lincoln Pinch Park. Vice-President Shields and Member Hofstetter advised the new Members of how the name was chosen.

Discussion of placing activity signs in the park like the Salt Creek Trail has. There are grants available for signage if interested. Member Cressey stated trails were not needed at the park nor entertainment. He would like to have an exercise feature at the park, such as, it takes four times around the walkway to make a mile.

Discussion of the flower beds at the park. Vice-President Shields stated that instead of using Brown County stone, another type of stone should have been used so the stone wouldn't scrape or break away.
