Motion to approve the minutes by Member McKown, seconded by Member Hall
All in favor via roll call, motion approved.

4. Mural Proposal – Moon Acres – Chris Blevins

Ms. Blevins would like to put up a panel mural on the outside back wall of her Moon Acres shop. This wall sits on the corner of Franklin and Old School Way. Art was purchased online, banner style, lays flat, and will most likely be surrounded by a frame. These hold up well in the weather. 80 feet by 12 feet. Discussion on the building needing some updates.

President Voland motioned to approve the Moon Acres Mural pending the wall having a fresh coat of paint and removal of the No parking sign. Seconded by Member Hall. All in favor via roll call, motion approved. Member McCann mentions that we should really think about approving internet approved art. It takes away from the local feel of our Mural approach. Maybe we should leave this mural off a mural trail. More discussion.

5. Mural Updates

Artist Kurt Eagleman has started on the mural at Heritage Mall.

6. IAC Cultural District Grant Program & Arts Road 46

President Voland advised that they are waiting with our fingers crossed for the cultural district grant we applied for. A guideline is being worked on for Arts Road 46, making short attainable goals for 6 months, 12 months, and going on forward. Follow up meeting in August. Funding to help in creating new logos, etc. Discussion. Member Hall and Vice-President Hopkins will try to attend the IAC cultural district meeting at 9 am via YouTube on 6/9/2023.

Some issues were discussed with Democrat getting ads out on time. Discussion on ways to pay to promote the Art Walk. Member Hayes will work on getting all the information out to the CVB database.
