An Ordinance concerning the construction of additions and improvements to the waterworks of the Town of Nashville, Indiana, the issuance of revenue bonds to provide the cost thereof, the collection, segregation and distribution of the revenues of said waterworks, the safeguarding of the interests of the owners of said revenue bonds, other matters connected therewith, including the issuance of notes in anticipation of bonds, and repealing ordinances inconsistent herewith

WHEREAS, the Town of Nashville, Indiana (the "Town") has heretofore established, constructed and financed its waterworks, and now owns and operates said waterworks pursuant to Indiana Code 8-1.5, as in effect on the issue date of the bonds authorized herein, and other applicable laws (the "Act")(all references hereinafter to the Indiana Code are designated as "IC" followed by the applicable code section or sections); and

WHEREAS, the Town Council of the Town (the "Town Council") finds that certain improvements and extensions to said works are necessary; that plans, specifications and estimates have been prepared and filed by Curry & Associates, Inc., the engineers employed by the Town for the construction of said improvements and extensions (as more fully set forth in summary fashion in Exhibit A hereto and made a part hereof) (the "Project"), which plans and specifications have been submitted to all governmental authorities having jurisdiction, particularly the Indiana Department of Environmental Management, and will be approved by the aforesaid governmental authorities and are incorporated herein by reference and open for inspection at the office of the Clerk-Treasurer of the Town as required by law; and

WHEREAS, the Town has advertised for and received bids for the Project, which bids are subject to the Town's determination to construct the Project and obtaining funds to pay for the Project; and

WHEREAS, based upon the bids and the estimates of the Town's engineers and other information provided to the Town by the engineers for the Project, the estimated costs of the Project, including engineering, municipal advisory and legal fees, is in the estimated amount not to exceed Four Million Dollars (\$4,000,000); and

WHEREAS, the Town Council finds that the Town has no funds on hand available to apply on the costs of the Project and that it is necessary to finance the entire costs thereof by the issuance of waterworks revenue bonds in an aggregate principal amount not to exceed Four Million Dollars (\$4,000,000) and, if necessary, bond anticipation notes (the "BANs"); and

WHEREAS, the Town Council finds that there are outstanding bonds of the waterworks payable out of the Net Revenues (as hereinafter defined) thereof designated as (i) the "Waterworks Refunding Revenue Bonds of 2015", dated December 2, 2015 (the "2015 Bonds"), now outstanding in the aggregate principal amount of Four Hundred Sixty-Two Thousand Dollars (\$462,000) and maturing semiannually on January 1 and July 1 over a period ending on January 1, 2035 and (ii) the "Taxable Waterworks Revenue Bonds of 2018", dated October 18, 2018 (the "2018 Bonds"), now outstanding in the aggregate principal amount of Nine Hundred

Thirteen Thousand Dollars (\$913,000) and maturing semiannually on January 1 and July 1 over a period ending on July 1, 2058, which 2015 and 2018 Bonds (collectively, the “Outstanding Parity Bonds”) constitute a first charge on the Net Revenues of the waterworks; and

WHEREAS, the ordinances authorizing the issuance of the Outstanding Parity Bonds permit the issuance of additional bonds ranking on a parity with the Outstanding Parity Bonds provided certain conditions can be met, and the Town finds that the finances of the waterworks of the Town will enable the Town to meet the conditions for the issuance of additional parity bonds and that, accordingly, the revenue bonds authorized herein shall rank on a parity with the Outstanding Parity Bonds; and

WHEREAS, other than the Outstanding Parity Bonds, there are no other bonds or obligations payable from the Net Revenues of the waterworks; and

WHEREAS, the bonds to be issued pursuant to this ordinance will constitute a first charge against the Net Revenues of the waterworks, on a parity with the payment of the Outstanding Parity Bonds, and are to be issued subject to the provisions of the laws of the Act, and the terms and restrictions of this ordinance; and

WHEREAS, the Town desires to authorize the issuance of BANs hereunder, if necessary, payable from the proceeds of waterworks revenue bonds issued hereunder and, with respect to interest only, proceeds of the BANs allocable to capitalized interest and/or Net Revenues of the waterworks, junior and subordinate to the bonds herein authorized and any additional bonds issued pursuant to Section 21 hereof, and to authorize the refunding of said BANs, if issued; and

WHEREAS, if the bonds or BANs herein authorized will be sold to the Indiana Finance Authority (the “Authority”) as part of its drinking water revolving loan program, supplemental drinking water and wastewater assistance program, water infrastructure assistance program and/or water infrastructure grant program, established and existing pursuant to IC 5-1.2-1 through IC 5-1.2-4, IC 5-1.2-10, IC 5-1.2-11, IC 5-1.2-14 and/or IC 5-1.2-14.5 (collectively, the “IFA Program”), the Town will enter into a Financial Assistance Agreement, Funding Agreement, Grant Agreement, and/or Financial Aid Agreement (in substantially the form attached as **Exhibit B** hereto and made a part hereof) together with any subsequent amendments thereto (collectively, the “Financial Assistance Agreement”) with the Authority pertaining to the Project and the financing thereof; and

WHEREAS, the Town may accept other forms of financial assistance, as and if available, from the IFA Programs; and

WHEREAS, the Town Council understands that for the Project to be permitted to be financed under the IFA Program, the Town must (a) agree to own, operate and maintain the waterworks and the Project (except to the extent owned by the State of Indiana) for their useful life and (b) represent and warrant to the Authority that the Town has no intent to sell, transfer or lease the waterworks or the Project for their useful life; and

WHEREAS, the Town has removed its waterworks from the jurisdiction of the Indiana Utility Regulatory Commission (the "IURC") with respect to the approval of rates and charges and financings of the waterworks and, accordingly, the Town will not need approval of the IURC prior to the issuance of the bonds and BANs herein authorized; and

WHEREAS, Section 1.150-2 of the Treasury Regulations on Income Tax (the "Reimbursement Regulations") specifies conditions under which a reimbursement allocation may be treated as an expenditure of bond proceeds, and the Town intends by this ordinance to qualify amounts advanced by the Town to the Project for reimbursement from proceeds of the BANs or the bonds in accordance with the requirements of the Reimbursement Regulations; and

WHEREAS, the Town Council now finds that all conditions precedent to the adoption of an ordinance authorizing the issuance of said revenue bonds and BANs have been complied with in accordance with the provisions of the Act; now, therefore,

BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF NASHVILLE, INDIANA, THAT:

Section 1. Authorization of Project. The Town proceed with the construction of the Project pursuant to the plans and specifications therefore as prepared and filed by Curry & Associates, Inc., the consulting engineers employed by the Town, two copies of which plans and specifications are on file in the office of the Clerk-Treasurer of the Town (the "Clerk-Treasurer") and open for public inspection pursuant to IC 36-1-5-4. The estimated cost for the construction of said Project, based upon the bids and information provided to the Town by its engineers for the Project, will not exceed Four Million Dollars (\$4,000,000), plus investment earnings on the BAN and bond proceeds, without further authorization of the Town Council. The terms "waterworks," "waterworks system," "works," "system," and words of like import where used in this ordinance shall be construed to mean and include the Town's existing waterworks system (and its Drinking Water System, as defined in the Financial Assistance Agreement), including items defined at IC 8-1.5, and also including all real estate and equipment used in connection therewith and appurtenances thereto, and all extensions, additions and improvements thereto and replacements thereof now or at any time hereafter constructed or acquired. If the bonds herein authorized will be sold to the IFA Program, such terms shall also be construed to mean the Drinking Water System, as defined in the Financial Assistance Agreement to be entered into, in such case, between the Town and the Authority through the IFA Program. The Project shall be constructed in accordance with the plans and specifications heretofore mentioned, which Project and plans and specifications are hereby approved. The Project shall be constructed and the BANs and bonds herein authorized shall be issued pursuant to and in accordance with the Act.

In the event the bonds herein authorized or the BANs are purchased by the Authority as part of the IFA Program, on behalf of the Town, the Town Council hereby (i) agrees to own, operate and maintain the waterworks and the Project (except to the extent owned by the State of Indiana) for their useful life and (ii) represents and warrants to the Authority that the Town has no intent to sell, transfer or lease the waterworks or the Project for their useful life.

Section 2. Issuance of BANs. The Town shall issue, if necessary, its BANs for the purpose of procuring interim financing to apply on the costs of the Project and to pay cost of issuance. The Town may issue its BANs in an aggregate principal amount not to exceed Four Million Dollars (\$4,000,000) to be designated "Waterworks Bond Anticipation Notes, Series 202\_" to be completed with the year in which issued. The BANs shall be sold at not less than 99.0% of their par value, numbered consecutively from 1 upward and shall be in denominations of One Thousand Dollars (\$1,000) and integral multiples thereof. The BANs shall be dated as of the date of delivery thereof and shall bear interest at a rate not to exceed 5.0% per annum (the exact rate or rates to be determined through negotiations with the purchaser of the BANs) payable either upon maturity or redemption. Interest on the BANs may, as determined by the Clerk-Treasurer, with the advice of the Town's municipal advisor, also be payable semiannually on January 1 and July 1 of each year, commencing on the first January 1 or the first July 1 following delivery of the BANs.

The BANs will mature no later than five (5) years after their date of delivery. The BANs are subject to renewal or extension at an interest rate or rates not to exceed 5.0% per annum (the exact rate or rates to be negotiated with the purchaser of the BANs). The term of the BANs and all renewal BANs may not exceed five (5) years from the date of delivery of the initial BANs. The BANs shall be registered in the name of the purchasers thereof. Interest on the BANs shall be calculated according to a 360-day calendar year containing twelve 30-day months.

The BANs shall be issued pursuant to IC 5-1.2-1 through IC 5-1.2-4, IC 5-1.2-10, IC 5-1.2-11, IC 5-1.2-14 and/or IC 5-1.2-14.5 if sold to the Authority, pursuant to IC 5-1.5-8-6.1 if sold to the Indiana Bond Bank or pursuant to IC 5-1-14-5 if sold to a financial institution or any other purchaser. The Town shall pledge to the payment of the principal of and interest on the BANs the proceeds from the issuance of revenue bonds pursuant to and in the manner prescribed by the Act.

Interest on the BANs may, as determined by the Clerk-Treasurer with the advice of the Town's municipal advisor, also be payable from capitalized interest and/or Net Revenues of the waterworks. Any pledge of Net Revenues of the waterworks to the payment of interest on the BANs shall be junior and subordinate to the payment of the Outstanding Parity Bonds, any bonds issued pursuant to this ordinance and any additional parity bonds issued in the future pursuant to Section 21 of this ordinance (the "Parity Bonds"). The BANs shall rank on a parity with respect to the pledge of Net Revenues of the waterworks in the event more than one (1) series of BANs is outstanding and secured, with respect to the payment of interest thereon, by the Net Revenues of the waterworks.

Notwithstanding anything in this ordinance to the contrary, any series of BANs issued hereunder may bear interest that is taxable and included in the gross income of the owners thereof. If any such BANs are issued on a taxable basis, the designated name shall include the term "Taxable" as the first word in the designated name.

Section 3. Issuance of Bonds. The Town shall issue its waterworks revenue bonds, in one or more series, in the aggregate principal amount not to exceed Four Million Dollars (\$4,000,000) to be designated “Waterworks Revenue Bonds, Series 202\_\_ \_\_” to be completed with the year in which issued and appropriate series designation if issued in more than one series (collectively, the “Bonds”), for the purpose of procuring funds to apply on the costs of the Project, refunding the BANs, if issued, and costs of issuance of the Bonds.

The Bonds shall be issued and sold at a price not less than 99.0% of the par value thereof. The Bonds shall be issued in fully registered form in denominations of Five Thousand Dollars (\$5,000) or integral multiples thereof; provided, however, that if the Bonds are sold to the Authority through the IFA Program or to the Indiana Bond Bank, the Bonds shall be issued in denominations of One Dollar (\$1) or integral multiples thereof. The Bonds shall be numbered consecutively from 1 up and shall be originally dated as of their date of delivery. The Bonds shall bear interest at a rate or rates not exceeding 5.0% per annum (the exact rate or rates to be determined by bidding or through negotiation with the IFA Program or the Indiana Bond Bank, as applicable). The interest on the Bonds shall be payable semiannually on January 1 and July 1 in each year, commencing on either the first January 1 or the first July 1 following the date of delivery of the Bonds as determined by the Clerk-Treasurer, with the advice of the Town’s municipal advisor. The principal of the Bonds shall be payable in lawful money of the United States of America at the principal office of the Paying Agent (as hereinafter defined). The Bonds shall mature semiannually on January 1 and July 1 of each year, or be subject to mandatory sinking fund redemption on January 1 and July 1 of each year, over a period ending no later than thirty-five (35) years from the date of issuance of the Bonds. The Bonds shall mature in such amounts that will either (i) produce as level annual debt service as practicable taking into account the denominations of the Bonds, (ii) produce as level annual debt service as practicable taking into account the denominations of the Bonds and the annual debt service on the Outstanding Parity Bonds or (iii) if the Bonds will be sold to the IFA Program or the Indiana Bond Bank, enable the Town to meet the requirements of the IFA Program or the Indiana Bond Bank, as the case may be (in such case, the debt service schedule shall be finalized and set forth in the Financial Assistance Agreement, if such Bonds are sold to the IFA Program, or Qualified Entity Purchase Agreement, if such Bonds are sold to the Indiana Bond Bank).

All or a portion of the Bonds may be issued as one or more term bonds, upon election of the purchaser. Such term bonds shall have a stated maturity or maturities consistent with the maturity schedule determined in accordance with the preceding paragraph, on the dates as determined by the purchaser, but in no event later than the last serial maturity date of the Bonds as determined in the preceding paragraph. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued interest to the redemption date, on principal payment dates which are hereafter determined in accordance with the preceding paragraph.

The Bonds will be payable solely out of and constitute a first charge against the Net Revenues (herein defined as gross revenues of the waterworks, inclusive of System Development Charges (as hereafter defined), after deduction only for the payment of the reasonable expenses of operation, repair and maintenance, and excluding transfers for payment in lieu of property

taxes) of the waterworks of the Town, including the works authorized herein and all additions and improvements thereto and replacements thereof subsequently constructed or acquired, on a parity with the payment of the Outstanding Parity Bonds. For purposes of this ordinance, "System Development Charges" shall mean the proceeds and balances from any non-recurring charges such as tap fees, subsequent connector fees, capacity or contribution fees, and other similar one-time charges that are available for deposit under this ordinance. Interest on the Bonds shall be calculated according to a 360-day calendar year containing twelve 30-day months.

Notwithstanding anything contained herein, the Town may accept any other forms of financial assistance, as and if available, from the IFA Program (including without limitation any forgivable loans, grants or other assistance) whether available as an alternative to any Bond or BAN related provision otherwise provided for herein or as a supplement or addition thereto. If required by the IFA Program to be eligible for such financial assistance, one or more of the series of the Bonds issued hereunder may be issued on a basis such that the payment of the principal of or interest on (or both) such series of Bonds is junior and subordinate to the payment of the principal of and interest on other series of Bonds issued hereunder (and/or any other revenue bonds secured by a pledge of Net Revenues, whether now outstanding or hereafter issued), all as provided by the terms of such series of Bonds as modified pursuant to this authorization. Such financial assistance, if any, shall be provided in the Financial Assistance Agreement and the Bonds of each series of Bonds issued hereunder (including any modification made pursuant to the authorization in this paragraph to the form of Bonds otherwise contained herein).

Section 4. Registrar and Paying Agent. The Clerk-Treasurer is hereby authorized to select and appoint a qualified financial institution to serve as Registrar and Paying Agent for the Bonds and the BANs, which Registrar is hereby charged with the responsibility of authenticating the Bonds (the "Registrar" or "Paying Agent"). The Clerk-Treasurer is hereby authorized to enter into such agreements or understandings with such institution as will enable the institution to perform the services required of a Registrar and Paying Agent. The Clerk-Treasurer is further authorized to pay such fees as the institution may charge for the services it provides as Registrar and Paying Agent, and such fees may be paid from the Waterworks Sinking Fund established to pay the principal of and interest on the Bonds as fiscal agency charges. As to the BANs and as to the Bonds, if sold to a purchaser that does not object to such designation, the Clerk-Treasurer may serve as Registrar and Paying Agent and is, in such case, hereby charged with the duties of a Registrar and Paying Agent.

If the Bonds or BANs are sold to the Authority through the IFA program, the principal of and interest thereon shall be paid by wire transfer to such financial institution if and as directed by the Authority on the due date of such payment or, if such due date is a day when financial institutions are not open for business, on the business day immediately after such due date. So long as the Authority through the IFA Program is the owner of said Bonds or BANs, such Bonds and BANs shall be presented for payment as directed by the Authority.

If the Bonds are not sold to the Authority through the IFA Program or if wire transfer payment is not required, the principal of the Bonds shall be payable at the principal office of the Paying Agent and all payments of interest on the Bonds shall be paid by check mailed one business day prior to the interest payment date to the registered owners thereof, as of the fifteenth day of the month preceding each payment (the "Record Date"), at the addresses as they appear on the registration books kept by the Registrar or at such other address as is provided to the Paying Agent in writing by such registered owner on or before such Record Date. If payment of principal or interest is made to a depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time).

All payments on the BANs and Bonds shall be made in any coin or currency of the United States of America, which on the date of such payment, shall be legal tender for the payment of public and private debts.

Each Bond shall be transferable or exchangeable only upon the books of the Town kept for that purpose at the principal office of the Registrar, by the registered owner thereof in person, or by its attorney duly authorized in writing, upon surrender of such Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in the same aggregate principal amount and of the same maturity shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The costs of such transfer or exchange shall be borne by the Town. The Town and the Registrar and Paying Agent for the Bonds may treat and consider the person in whose name such Bonds are registered as the absolute owner thereof for all purposes including for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon.

Interest on Bonds sold to the Authority through the IFA Program shall be paid from the date or dates which are set forth in the Financial Assistance Agreement. Interest on all other Bonds which are authenticated on or before the Record Date which precedes the first interest payment date shall be paid from their original date. Interest on Bonds authenticated subsequent to the Record Date which precedes the first interest payment date thereon shall be paid from the interest payment date to which interest has been paid as of the date on which such Bonds are authenticated, unless a Bond is authenticated between the Record Date and the interest payment date in which case the interest shall be paid from such interest payment date.

Section 5. Redemption of BANs. The BANs are prepayable by the Town, in whole or in part, on any date, upon twenty (20) days' notice to the owner of the BANs, without any premium.

Section 6. Redemption of Bonds. The Bonds are redeemable at the option of the Town, but no sooner than ten (10) years after their date of delivery, or any date thereafter, on sixty (60) days' notice, if sold to the Authority through the IFA Program, and on thirty (30) days' notice if sold to another purchaser, in whole or in part, in inverse order of maturity if sold to the Authority through the IFA Program, or in the order of maturity as determined by the Town if sold to any other purchaser, and by lot within a maturity, at face value together with a premium no greater than 2%, plus accrued interest to the date fixed for redemption; provided, however, if the Bonds are sold to the IFA Program and registered in the name of the Authority, the Bonds shall not be redeemable at the option of the Town unless and until consented to by the Authority. The exact redemption dates and premiums shall be established by the Clerk-Treasurer, with the advice of the Town's municipal advisor, prior to the sale of the Bonds.

If any Bond is issued as a term bond, the Paying Agent shall credit against the mandatory sinking fund requirement for the Bonds maturing as term bonds, and corresponding mandatory redemption obligation, in the order determined by the Town, any Bonds maturing as term bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each Bond maturing as a term bond so delivered or canceled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of the Bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such Bonds maturing as term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date.

Each authorized denomination amount shall be considered a separate Bond for purposes of optional and mandatory redemption. If less than an entire maturity is called for redemption, the Bonds to be called for redemption shall be selected by lot by the Registrar. If some Bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select by lot the Bonds for optional redemption before selecting the Bonds by lot for the mandatory sinking fund redemption.

In either case, notice of redemption shall be given not less than sixty (60) days, if the Bonds are sold to the Authority through the IFA Program, and thirty (30) days if the Bonds are sold to another purchaser, prior to the date fixed for redemption unless such redemption notice is waived by the owner of the Bond or Bonds redeemed. Such notice shall be mailed to the address of the registered owner as shown on the registration record of the Town as of the date which is sixty-five (65) days if the Bonds are sold to the Authority through the IFA Program, and forty-five (45) days if the Bonds are sold to another purchaser, prior to such redemption date. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption may be determined by the Town. Interest on the Bonds so called for redemption shall cease on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price on the date so named.

Section 7. Book-Entry Provisions. The Town may, upon the advice of its municipal advisor, have the Bonds held by a central depository system pursuant to an agreement between the Town and The Depository Trust Company, New York, New York (the "DTC") and have transfers of the Bonds effected by book-entry on the books of the central depository system. In such case, the Bonds shall be issued in the name of Cede & Co., as nominee for DTC, as registered owner of the Bonds, and held in the custody of DTC and the terms and conditions of this Section 7 shall apply.

If the Bonds are held by DTC, a single certificate will be issued and delivered to DTC for each maturity of the Bonds. The actual purchasers of the Bonds ("Beneficial Owners") will not receive physical delivery of the Bond certificates except as provided herein. Beneficial Owners are expected to receive a written confirmation of their purchase providing details of each Bond acquired. For so long as DTC shall continue to serve as securities depository for the Bonds as provided herein, all transfers of beneficial ownership interests will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of the Bonds is to receive, hold, or deliver any Bond certificate.

For every transfer and exchange of the Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner's allocable share of any tax, fee, or other governmental charge that may be imposed in relation thereto. Bond certificates are required to be delivered to and registered in the name of the Beneficial Owner, under the following circumstances:

(i) DTC determines to discontinue providing its service with respect to the Bonds (such a determination may be made at any time by giving thirty (30) days' notice to the Town and the Registrar and discharging its responsibilities with respect thereto under applicable law), or

(ii) the Town determines that continuation of the system of book-entry transfers through DTC (or a successor securities depository) is not in the best interests of the Beneficial Owners.

The Town and the Registrar will recognize DTC or its nominee as the holder of the Bonds for all purposes, including notices and voting. The Town and the Registrar covenant and agree, so long as DTC shall continue to serve as securities depository for the Bonds, to meet the requirements of DTC with respect to required notices and other provisions of a Letter of Representations between the Town and DTC. If necessary to comply with the terms and provisions of the Letter of Representations, a supplemental ordinance shall be adopted to amend this ordinance as necessary.

The Registrar is authorized to rely conclusively upon a certificate furnished by DTC and corresponding certificates from DTC participants and indirect participants as to the identity of, and the respective principal amount of Bonds beneficially owned by, the Beneficial Owner or Beneficial Owners.

The Town may, upon the advice of its municipal advisor, have the BANs held in the custody of DTC. In such case, the aforementioned terms and conditions of this Section 7 shall apply to the BANs.

Section 8. Execution of Bonds and BANs; Pledge of Net Revenues to Bonds. The BANs and Bonds shall be signed in the name of the Town by the manual or facsimile signature of the President of the Town Council (the "Town Council President") and attested by the manual or facsimile signature of the Clerk-Treasurer, who shall affix the seal of said Town to each of said Bonds and BANs manually or shall have the seal imprinted or impressed thereon by facsimile. These officials, by the signing of a Signature and No Litigation Certificate, shall adopt as and for their own proper signatures their facsimile signatures appearing on said Bonds and BANs. In case any officer whose signature or facsimile signature appears on the Bonds or BANs shall cease to be such officer before the delivery of the Bonds or BANs, the signature of such officer shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery. The Bonds shall also be authenticated by the manual signature of an authorized representative of the Registrar and no Bond shall be valid or become obligatory for any purpose until the certificate of authentication thereon has been so executed.

The Bonds, and any bonds ranking on a parity therewith, as to both principal and interest, shall be payable from and secured by an irrevocable pledge of and shall constitute a first charge upon the Net Revenues of the waterworks of the Town, including all real estate, equipment, and appurtenances thereto used in connection therewith, and all extensions, additions, and improvements thereto and replacements thereof, now or at any time hereafter constructed or acquired, on a parity with the payment of the Outstanding Parity Bonds. The Town shall not be obligated to pay said Bonds or the interest thereon except from the Net Revenues of said works, and said Bonds shall not constitute an indebtedness of the Town within the meaning of the provisions and limitations of the constitution of the State of Indiana. Said Bonds and BANs shall have all of the qualities of negotiable instruments under the laws of the State of Indiana subject to the provisions for registration herein.

Section 9. Form of Bonds. The form and tenor of the Bonds shall be substantially as follows, all blanks to be filled in properly and all necessary additions and deletions to be made prior to delivery thereof:

*Form of Bond*

[Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Registrar or its agent for registration or transfer, exchange or payment, and any bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.]

This Bond shall not constitute an indebtedness of the Town of Nashville, Indiana, within the meaning of the provisions and limitations of the constitution of the State of Indiana, and the Town shall not be obligated to pay this Bond or the interest hereon except from the special fund provided from the Net Revenues.

This Bond is [the only] one of an authorized issue of Bonds of the Town of Nashville, Indiana, [of like tenor and effect, except as to numbering, interest rate, and dates of maturity,] in the total amount of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_) (the "Bonds"), numbered from 1 up, issued for the purpose of providing funds to be applied on the cost of the construction of additions and improvements to the Town's waterworks, [to refund interim notes issued in anticipation of the Bonds] and to pay costs of issuance of the Bonds, as authorized by an Ordinance adopted by the Town Council of the Town of Nashville, Indiana, on the \_\_\_ day of \_\_\_\_\_, 2022, entitled "An Ordinance concerning the construction of additions and improvements to the waterworks of the Town of Nashville, Indiana, the issuance of revenue bonds to provide the cost thereof, the collection, segregation and distribution of the revenues of said waterworks, the safeguarding of the interests of the owners of said revenue bonds, other matters connected therewith, including the issuance of notes in anticipation of bonds, and repealing ordinances inconsistent herewith" (the "Ordinance"), and in strict compliance with the provisions of Indiana Code 8-1.5, as in effect on the issue date of the Bonds (the "Act").

[Reference is hereby made to the Financial Assistance Agreement between the Town and the Indiana Finance Authority as to certain terms and covenants pertaining to the waterworks project and this Bond (the "Financial Assistance Agreement").]

[The Bonds shall be initially issued in a book entry system by The Depository Trust Company ("DTC"). The provisions of this Bond and of the Ordinance are subject in all respect to the provisions of the Letter of Representations between the Town and DTC, or any substitute agreement affecting such book entry system under DTC.]

Pursuant to the provisions of said Act and said Ordinance, the principal and interest of this Bond and all other Bonds of said issue, and any bonds hereafter issued on a parity therewith, are payable solely from the Waterworks Sinking Fund (continued by the Ordinance) to be provided from the Net Revenues (defined as the gross revenues, inclusive of System Development Charges (as defined in the Ordinance), after deduction only for the payment of the reasonable expenses of operation, repair and maintenance, excluding transfers for payment in lieu of property taxes) of the waterworks of the Town, including the works authorized under the Ordinance to be acquired and constructed and all additions and improvements thereto and

replacements thereof subsequently constructed or acquired. The payment of this Bond ranks on a parity with the payment of the Outstanding Parity Bonds (as defined in the Ordinance). The Town reserves the right to issue additional bonds on a parity with this Bond and the issue of which it is a part, as provided in the Ordinance.

The Town of Nashville, Indiana irrevocably pledges the entire Net Revenues of said waterworks to the prompt payment of the principal of and interest on the Bonds authorized by said Ordinance, of which this is one, and any bonds ranking on a parity therewith, including the Outstanding Parity Bonds, to the extent necessary for that purpose, and covenants that it will cause to be fixed, maintained and collected such rates and charges for service rendered by said works as are sufficient in each year for the payment of the proper and reasonable expenses of [Operation and Maintenance (as defined in the Financial Assistance Agreement)][operation, repair and maintenance] of said works and for the payment of the sums required to be paid into said Sinking Fund under the provisions of the Act and the Ordinance. If the Town or the proper officers of the Town shall fail or refuse to so fix, maintain and collect such rates or charges, or if there be a default in the payment of the interest on or principal of this Bond, the owner of this Bond shall have all of the rights and remedies provided for under Indiana law, including the provisions of the Act.

[The Town of Nashville, Indiana has designated the Bonds as qualified tax-exempt obligations to qualify for the \$10,000,000 exception from the provisions of Section 265(b) of the Internal Revenue Code of 1986 relating to the disallowance of 100% of the deduction for interest expense allocable to tax-exempt obligations.]

The Town of Nashville, Indiana further covenants that it will set aside and pay into its Waterworks Sinking Fund a sufficient amount of the Net Revenues of said works to meet (a) the interest on all bonds which by their terms are payable from the revenues of the waterworks, as such interest shall fall due, (b) the necessary fiscal agency charges for paying the bonds and interest, (c) the principal of all bonds which by their terms are payable from the revenues of the waterworks, as such principal shall fall due, and (d) an additional amount to [create and] maintain the reserves required by the Ordinance. Such required payments shall constitute a first charge upon all the Net Revenues of said works, on a parity with the payment of the Outstanding Parity Bonds.

The Bonds of this issue maturing on \_\_\_\_\_ 1, 20\_\_, and thereafter, are redeemable at the option of the Town on \_\_\_\_\_ 1, 20\_\_, or any date thereafter, on [sixty (60)] [thirty (30)] days' notice, in whole or in part, in [inverse order of maturity] [in the order of maturity as determined by the Town] and by lot within a maturity, at face value [together with the following premiums:

- \_\_% if redeemed on \_\_\_\_\_ 1, 20\_\_ or thereafter  
on or before \_\_\_\_\_, 20\_\_;
- \_\_% if redeemed on \_\_\_\_\_ 1, 20\_\_ or thereafter  
on or before \_\_\_\_\_, 20\_\_;
- 0% if redeemed on \_\_\_\_\_ 1, 20\_\_, or thereafter

prior to maturity;]

plus in each case accrued interest to the date fixed for redemption.

[Notwithstanding the foregoing, the Bonds shall not be redeemable at the option of the Town unless and until consented to by the Indiana Finance Authority.]

[The Bonds maturing on \_\_\_\_\_ 1, \_\_\_\_ are subject to mandatory sinking fund redemption prior to maturity, at a redemption price equal to the principal amount thereof plus accrued interest, on the dates and in the amounts set forth below:

<u>Date</u>	<u>Amount</u>
-------------	---------------

\*Final Maturity]

Each [Five Thousand Dollar (\$5,000)][One Dollar (\$1)] principal amount shall be considered a separate bond for purposes of optional [and mandatory] redemption. If less than an entire maturity is called for redemption, the Bonds to be called for redemption shall be selected by lot by the Registrar. [If some Bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select by lot the Bonds for optional redemption before selecting the Bonds by lot for the mandatory sinking fund redemption.]

Notice of redemption shall be mailed to the address of the registered owner as shown on the registration record of the Town, as of the date which is [sixty-five (65)][forty-five (45)] days prior to such redemption date, not less than [sixty (60)][thirty (30)] days prior to the date fixed for redemption. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption may be determined by the Town. Interest on the Bonds so called for redemption shall cease on the redemption date fixed in such notice, if sufficient funds are available at the place of redemption to pay the redemption price on the date so named.

If this Bond shall not be presented for payment or redemption on the date fixed therefor, the Town may deposit in trust with its depository bank, an amount sufficient to pay such Bond or the redemption price, as the case may be, and thereafter the registered owner shall look only to the funds so deposited in trust with said bank for payment and the Town shall have no further obligation or liability in respect thereto.

This Bond is transferable or exchangeable only upon the books of the Town kept for that purpose at the office of the Registrar, by the registered owner hereof in person, or by its attorney duly authorized in writing, upon surrender of this Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in the same aggregate principal amount and of the same maturity, shall be executed and delivered in the name of the transferee or transferees or to the registered owner, as the case may be, in exchange

therefor. The Town, the Registrar and any paying agent for this Bond may treat and consider the person in whose name this Bond is registered as the absolute owner hereof for all purposes including for the purpose of receiving payment of, or on account of, the principal hereof and interest due hereon.

This Bond is subject to defeasance prior to redemption or payment as provided in the Ordinance referred to herein. THE OWNER OF THIS BOND, BY THE ACCEPTANCE HEREOF, HEREBY AGREES TO ALL THE TERMS AND PROVISIONS CONTAINED IN THE ORDINANCE. The Ordinance may be amended without the consent of the owners of the Bonds as provided in the Ordinance.

The Bonds maturing in any one year are issuable only in fully registered form in the denomination of [Five Thousand Dollars (\$5,000)][One Dollar (\$1)] or any integral multiple thereof not exceeding the aggregate principal amount of the Bonds maturing in such year.

It is hereby certified and recited that all acts, conditions and things required to be done precedent to and in the preparation and complete execution, issuance and delivery of this Bond have been done and performed in regular and due form as provided by law.

This Bond shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been executed by an authorized representative of the Registrar.

IN WITNESS WHEREOF, the Town of Nashville, in Brown County, Indiana, has caused this Bond to be executed in its corporate name by the manual or facsimile signature of its Town Council President, its corporate seal to be hereunto affixed, imprinted or impressed by any means and attested manually or by facsimile by its Clerk-Treasurer.

*End of Bond Form*

Section 10. Preparation and Sale of BANs and Bonds; Official Statement; and Investment Letter. The Clerk-Treasurer is hereby authorized and directed to have said BANs and Bonds prepared, and the Town Council President and Clerk-Treasurer are hereby authorized and directed to execute said BANs and Bonds in the form and manner herein provided. The Clerk-Treasurer is hereby authorized and directed to deliver said BANs and Bonds to the respective purchasers thereof after sale made in accordance with the provisions of this ordinance, provided that at the time of said delivery the Clerk-Treasurer shall collect the full amount which the respective purchasers have agreed to pay therefor, which amount shall not be less than 99.0% of the par value of said BANs and not less than 99.0% the par value of said Bonds, as the case may be. The Town may receive payment for the Bonds and BANs in installments. The Bonds herein authorized, as and to the extent paid for and delivered to the purchaser. shall be the

binding special revenue obligations of the Town, payable out of the Net Revenues of the Town's waterworks to be set aside into the Waterworks Sinking Fund as herein provided. The proceeds derived from the sale of the Bonds shall be and are hereby set aside for application on the cost of the Project hereinbefore referred to, the refunding of the BANs, if issued, and the expenses necessarily incurred in connection with the BANs and Bonds. The proper officers of the Town are hereby directed to draw all proper and necessary warrants, and to do whatever acts and things which may be necessary to carry out the provisions of this ordinance.

The preparation and distribution of an official statement (preliminary and final) on behalf of the Town for the Bonds and BANs sold to a purchaser other than the IFA Program or Indiana Bond Bank is hereby authorized. The Town Council President and Clerk-Treasurer are hereby authorized and directed to execute any such preliminary official statement on behalf of the Town in a form consistent with this ordinance. If the Bonds or BANs will be sold to the Indiana Bond Bank, the Town Council President and Clerk-Treasurer are hereby authorized to provide information and materials to the Indiana Bond Bank relating to the Town, its waterworks and the Bonds or BANs, as the case may be, for inclusion in any official statement relating to any financing of the Indiana Bond Bank the proceeds of which will be used to acquire the Bonds or BANs.

Alternatively, in lieu of preparing and distributing an official statement, the Town may obtain a sophisticated investment letter from the purchaser of the Bonds or BANs at the time of delivery of the Bonds or BANs which satisfies applicable state and federal securities laws.

Section 11. Bond Sale Notice. Unless sold to the Authority or the Indiana Bond Bank, the Bonds will be sold at a competitive sale and, in such case, the Clerk-Treasurer shall cause to be published either (i) a notice of such sale in a newspaper published in the *Brown County Democrat*, two times, at least one week apart, the first publication made at least fifteen (15) days before the date of the sale and the second publication being made at least three (3) days before the date of the sale, or (ii) a notice of intent to sell in the *Brown County Democrat* and a newspaper published in Indianapolis, Indiana, all in accordance with IC 5-1-11 and IC 5-3-1. A notice of sale may also be published one time in a newspaper published in Indianapolis, Indiana, and a notice or summary notice may also be published in *The Bond Buyer* in New York, New York. The notice shall state the character and amount of the Bonds, the maximum rate of interest thereon, the terms and conditions upon which bids will be received and the sale made, and such other information as the Clerk-Treasurer and the attorneys employed by the Town shall deem advisable and any summary notice may contain any information deemed so advisable. The notice may provide, among other things, that each bid shall be accompanied by a certified or cashier's check in an amount equal to one percent (1%) of the principal amount of the Bonds described in the notice and that in the event the successful bidder shall fail or refuse to accept delivery of the Bonds and pay for the same as soon as the Bonds are ready for delivery, or at the time fixed in the notice of sale, then said check and the proceeds thereof shall be the property of the Town and shall be considered as its liquidated damages on account of such default; that bidders for said Bonds will be required to name the rate or rates of interest which the Bonds are to bear, not exceeding the maximum rate hereinbefore fixed, and that such interest rate or rates shall be in multiples of one-eighth (1/8), one-twentieth (1/20) or one-hundredth (1/100) of one

percent (1%). The rate bid on a maturity shall be equal to or greater than the rate bid on the immediately preceding maturity. No conditional bid or bid for less than the par value of the Bonds will be considered. The opinion of Bose McKinney & Evans LLP, nationally recognized bond counsel of Indianapolis, Indiana, approving the legality of said Bonds, will be furnished to the purchaser at the expense of the Town.

The Bonds shall be awarded by the Clerk-Treasurer to the best bidder who has submitted its bid in accordance with the terms of this ordinance, IC 5-1-11 and the notice of sale. The best bidder will be the one who offers the lowest net interest cost to the Town, to be determined by computing the total interest on all of the Bonds to their maturities, adding thereto the discount bid, if any, and deducting the premium bid, if any. The right to reject any and all bids shall be reserved. If an acceptable bid is not received on the date of sale, the sale may be continued from day to day thereafter without further advertisement for a period of thirty (30) days, during which time no bid which provides a higher net interest cost to the Town than the best bid received at the time of the advertised sale will be considered.

As an alternative to public sale, the Clerk-Treasurer may negotiate the sale of said Bonds to the Indiana Bond Bank or the Authority through the IFA Program. The Town Council President and the Clerk-Treasurer are hereby authorized to (i) submit an application to the Authority through the IFA Program or the Indiana Bond Bank, (ii) execute a Financial Assistance Agreement (including any amendment thereof) with the Authority or a Qualified Entity Purchase Agreement with the Indiana Bond Bank with terms conforming to this ordinance and (iii) sell such Bonds upon such terms as are acceptable to the Town Council President and the Clerk-Treasurer consistent with the terms of this ordinance.

In the event the Bonds are sold to the Authority through the IFA Program, the Financial Assistance Agreement for the Bonds and the Project shall be executed by the Town. The substantially final form of Financial Assistance Agreement attached hereto as **Exhibit B** and incorporated herein by reference is hereby approved. The Town Council President and the Clerk-Treasurer are hereby authorized to approve, execute and deliver said Financial Assistance Agreement, and to approve such changes in form or substance thereto which are consistent with the terms of this ordinance, such changes to be conclusively evidenced by its execution. In the event the Bonds are sold in series to the Authority, the Financial Assistance Agreement may be amended and restated for any subsequent series of Bonds sold to the Authority through the IFA Program, with such changes in form or substance to the original Financial Assistance Agreement as the Town Council President and the Clerk-Treasurer may approve, execute and deliver, consistent with the terms of this ordinance, as conclusively evidenced by its execution.

Section 12. Use of Proceeds. The accrued interest received at the time of the delivery of the Bonds and premium, if any, shall be deposited in the Waterworks Sinking Fund. The remaining proceeds from the sale of the Bonds, to the extent not used to refund BANs, and BAN proceeds shall be deposited in a bank or banks which are legally designated depositories for the funds of the Town, in a special account or accounts to be designated as the "Town of Nashville, Waterworks Construction Account" (the "Construction Account"). All funds deposited to the credit of said Waterworks Sinking Fund or Construction Account shall be deposited, held,

secured or invested in accordance with the laws of the State of Indiana relating to the depositing, holding, securing or investing of public funds, including particularly IC 5-13, IC 5-1.2-1 through 5-1.2-4, IC 5-1.2-10, IC 5-1.2-11, IC 5-1.2-14 and/or IC 5-1.2-14.5, and the acts amendatory thereof and supplemental thereto. The funds in the Construction Account shall be expended only for the purpose of paying the cost of the Project, funding capitalized interest on the BANs, if necessary, refunding the BANs, if issued, or as otherwise required by the Act or for the expenses of issuance of the Bonds or BANs. The cost of obtaining the legal services of Bose McKinney & Evans LLP shall be considered as a part of the cost of the Project on account of which the BANs and Bonds are issued.

Any balance or balances remaining unexpended in such special account or accounts after completion of the Project, which are not required to meet unpaid obligations incurred in connection with such Project, shall either (1) be paid into the Waterworks Sinking Fund and used solely for the purposes thereof or (2) be used for the same purpose or type of project for which the Bonds were originally issued, all in accordance with IC 5-1-13, as amended and supplemented.

If the Bonds are sold to the Authority as part of the IFA Program, to the extent that (a) the total principal amount of such Bonds is not paid by the purchaser or drawn down by the Town or (b) proceeds remain in the Construction Account and are not applied to the Project (or any modifications or additions thereto approved by the Authority), the Town shall reduce the principal amount of the Bond maturities to effect such reduction in a manner that will still achieve as level annual debt service as practicable as described in Section 3 subject to and upon the terms set forth in the Financial Assistance Agreement for the Bonds.

The Town hereby declares its "official intent", as such term is used in the Reimbursement Regulations, to reimburse the Town's advances to the Project, such advances from the Town's General Fund or Improvement Fund (as hereinafter defined), from proceeds of the BANs or the Bonds herein authorized by this ordinance. The Town reasonably expects to make such advances for the costs of the Project.

Section 13. Revenue Fund. There is hereby continued the "Revenue Fund" (the "Revenue Fund"). All income and revenues derived from the operation of the waterworks and from the collection of water rates and charges (and any System Development Charges), shall be deposited in the Revenue Fund. The Revenue Fund shall be maintained separate and apart from all other funds and accounts of the Town. Out of these revenues, the proper and reasonable expenses of operation, repair and maintenance of the works shall be paid, the principal of and interest on all bonds and fiscal agency charges of registrar and paying agents shall be paid, the reserves shall be funded and the costs of replacements, extensions, additions and improvements shall be paid. So long as any Bonds are held by the Authority, no moneys derived from the revenues of the waterworks shall be transferred to the General Fund of the Town (except for payment in lieu of property taxes) or be used for any purpose not connected with the waterworks.

Section 14. Operation and Maintenance Fund. The "Operation and Maintenance Fund" (the "Operation and Maintenance Fund") is hereby continued. There shall be credited to the Operation and Maintenance Fund as of the last day of each calendar month a sufficient amount of the revenues of the waterworks so that the balance in the Operation and Maintenance Fund shall be sufficient to pay the expenses of operation, repair and maintenance of the waterworks for the then next succeeding two (2) calendar months. The moneys credited to this fund shall be used for the payment of the reasonable and proper operation, repair and maintenance expenses of the waterworks on a day-to-day basis, but none of the moneys in the Operation and Maintenance Fund shall be used for payment in lieu of property taxes, depreciation, replacements, improvements, extensions or additions. Any balance in such Operation and Maintenance Fund in excess of the expected expenses of operation, repair and maintenance for the next succeeding month may be transferred to the Waterworks Sinking Fund if necessary to prevent a default in the payment of principal of or interest on the outstanding revenue bonds of the waterworks.

Section 15. Waterworks Sinking Fund. There is hereby continued a special fund designated the "Waterworks Sinking Fund" (the "Sinking Fund") for the payment of the principal of and interest on revenue bonds which by their terms are payable from the Net Revenues of the waterworks, and the payment of any fiscal agency charges in connection with the payment of bonds and interest. There shall be set aside and deposited in the Sinking Fund, as available, and as provided below, a sufficient amount of the Net Revenues of the waterworks (including any System Development Charges) to meet the requirements of the Bond and Interest Account, the Debt Service Reserve Account and the 2022 Reserve Account (each defined herein) hereby continued and/or created in the Sinking Fund. Such payments shall continue until the balance in the Bond and Interest Account, plus the balance in the Debt Service Reserve Account and 2022 Reserve Account hereinafter described, equals the principal of and interest on all of the then outstanding bonds of the waterworks to the final maturity thereof.

If the Bonds are sold to the Authority as part of its IFA Program, the Sinking Fund, containing the Bond and Interest Account and the 2022 Reserve Account, or any portion thereof, and/or the Construction Account, may be held by one or more financial institutions acceptable to the Authority as part of its IFA Program, pursuant to terms acceptable to the Authority. If the Sinking Fund and the accounts therein are held in trust, the Town shall transfer the monthly required amounts of Net Revenues to the Bond and Interest Account and the 2022 Reserve Account in accordance with this Section 15, and the financial institution holding such funds in trust shall be instructed to pay the required payments in accordance with the payment schedules for the Town's outstanding bonds. The Town Council President and Clerk-Treasurer are hereby authorized to execute and deliver an agreement with a financial institution to reflect this trust arrangement for the Sinking Fund and/or the Construction Account. The financial institution selected to serve in this role may also serve as the Registrar and the Paying Agent for any outstanding bonds of the Town.

(a) Bond and Interest Account. There is hereby continued, within said Sinking Fund, the "Bond and Interest Account". There shall be credited on the last day of each calendar month to the Bond and Interest Account an amount of the Net Revenues equal to the sum of at least one-sixth (1/6) of the principal of and at least one-sixth (1/6) of the interest on all then

outstanding bonds payable on the then next succeeding principal and interest payment dates, until the amount so credited shall equal the interest and principal payable on the then next succeeding principal and interest payment date. There shall similarly be credited to the account any amount necessary to pay the bank fiscal agency charges for paying interest on outstanding bonds as the same become payable. The Town shall, from the sums deposited in and credited to the Bond and Interest Account, remit promptly to the registered owner or to the bank fiscal agency sufficient moneys to pay the interest and principal on the due dates thereof together with the amount of bank fiscal agency charges.

(b) Debt Service Reserve Account. There is hereby continued, within the Sinking Fund, the Debt Service Reserve Account (the "Debt Service Reserve Account") which pursuant to the ordinances authorizing the Outstanding Parity Bonds serves as a debt service reserve for the Outstanding Parity Bonds. The funds held in the Debt Service Reserve Account shall only secure the Outstanding Parity Bonds and shall not secure or be used to pay the Bonds or any additional Parity Bonds. The Debt Service Reserve Account shall be funded in such amounts and applied to the payment of the Outstanding Parity Bonds in accordance with the terms and provisions of the ordinances authorizing the Outstanding Parity Bonds.

The Debt Service Reserve Account shall constitute the margin for safety and a protection against default in the payment of principal of and interest on the Outstanding Parity Bonds, and the moneys in the Debt Service Reserve Account shall be used to pay current principal and interest on the Outstanding Parity Bonds, to the extent that moneys in the Bond and Interest Account are insufficient for that purpose. Any deficiency in the balance maintained in the Debt Service Reserve Account shall be made up from the next available Net Revenues remaining after credits into the Bond and Interest Account on a parity basis with any replenishment of the 2022 Reserve Account. If monies in the Debt Service Reserve Account are transferred to the Bond and Interest Account to pay principal and interest on the Outstanding Parity Bonds, then this depletion of the balance in the Debt Service Reserve Account shall be made up from the next available Net Revenues after the credits into the Bond and Interest Account on a parity basis with any replenishment of the 2022 Reserve Account.

(c) 2022 Debt Reserve Account. There is hereby created, within the Sinking Fund, the 2022 Reserve Account (the "2022 Reserve Account"). On the date of delivery of the Bonds, the Town may deposit funds on hand, Bond proceeds, unless the Bonds are sold to the Authority as part of its IFA Program, or a combination thereof into the 2022 Reserve Account. The balance to be maintained in the 2022 Reserve Account shall equal but not exceed the least of (i) the maximum annual debt service on the Bonds and any additional Parity Bonds, (ii) 125% of average annual debt service on the Bonds and any Parity Bonds or (iii) 10% of the proceeds of the Bonds and any additional Parity Bonds (the "Reserve Requirement"); provided, however, that if any Bonds are held by the Authority the Reserve Requirement shall be as provided in (i) above. If the initial deposit into the 2022 Reserve Account does not cause the balance therein to equal the Reserve Requirement or if no deposit is made, an amount of Net Revenues shall be credited to the 2022 Reserve Account on or before the last day of each calendar month until the balance therein equals the Reserve Requirement. The monthly deposits of Net Revenues shall be equal in amount and sufficient to accumulate the Reserve Requirement within five (5) years of

the date of delivery of the Bonds. Any monthly deposits of Net Revenues to the 2022 Reserve Account shall be on a parity with any deposits of Net Revenues to the Debt Service Reserve Account. The funds held in the 2022 Reserve Account do not secure nor may they be used to pay the Outstanding Parity Bonds.

The 2022 Reserve Account shall constitute the margin for safety and a protection against default in the payment of principal of and interest on the Bonds and any Parity Bonds, and the moneys in the 2022 Reserve Account shall be used to pay current principal and interest on the Bonds and any Parity Bonds, to the extent that moneys in the Bond and Interest Account are insufficient for that purpose. Any deficiency in the balance maintained in the 2022 Reserve Account shall be made up from the next available Net Revenues remaining after credits into the Bond and Interest Account on a parity basis with any replenishment of the Debt Service Reserve Account. If monies in the 2022 Reserve Account are transferred to the Bond and Interest Account to pay principal and interest on the Bonds or any Parity Bonds, then this depletion of the balance in the 2022 Reserve Account shall be made up from the next available Net Revenues after the credits into the Bond and Interest Account on a parity basis with any replenishment of the Debt Service Reserve Account. Any moneys in the 2022 Reserve Account in excess of the Reserve Requirement shall be transferred to the Waterworks Improvement Fund.

A debt service reserve surety bond may be purchased by the Town to satisfy, in whole or in part, the Reserve Requirement. The Town Council President and the Clerk-Treasurer are hereby authorized to execute and deliver the necessary agreements with the provider of the debt service reserve surety bond providing for, among other matters, the reimbursement to such provider of amounts drawn under the debt service reserve surety bond. Each of these officials are hereby authorized and directed to complete, execute and attest any agreement pertaining to such a debt service reserve surety bond on behalf of the Town so long as its provisions are consistent with this ordinance. The provider of the debt service reserve surety bond must be rated, at the time the debt service reserve surety bond is acquired, in one of the three highest rating categories by either Standard & Poor's Rating Services or Moody's Investors Service. The cost of obtaining a debt service reserve surety bond shall be considered as a part of the cost of issuance of the Bonds and may be paid out of the proceeds of the Bonds or out of other funds of the waterworks. So long as any Bonds are held by the Authority, the prior written consent of the Authority shall be obtained by the Town prior to satisfying any portion of the Reserve Requirement with a debt service reserve surety bond.

Section 16. Waterworks Improvement Fund. After meeting the requirements of the Operation and Maintenance Fund and the Sinking Fund, any excess revenues may be transferred or credited to the Waterworks Improvement Fund (the "Improvement Fund"), hereby continued, and said fund shall be used for improvements, replacements, additions and extensions of the waterworks, and for payment in lieu of property taxes. The Town reserves the rights to transfer payment in lieu of property taxes from the Improvement Fund no more frequently than semiannually in accordance with the Act, and only if all required transfers have been made to the Sinking Fund and the accounts of the Sinking Fund contain the required balances as of the date the payment in lieu of property taxes are paid. In no event shall payment in lieu of property taxes be treated as an expense of operation and maintenance, nor in any case shall it be payable

from the Operation and Maintenance Fund or the Sinking Fund. Moneys in the Improvement Fund shall be transferred to the Sinking Fund if necessary to prevent a default in the payment of principal or interest on any outstanding bonds or to replenish the reserve accounts or may be transferred to the Operation and Maintenance Fund to meet unforeseen contingencies in the operation, repair and maintenance of the waterworks. If any BANs or Bonds are sold to the Authority as part of its IFA Program, so long as any of the BANs or Bonds are outstanding, no monies derived from the revenues of the waterworks shall otherwise be transferred to the General Fund of the Town or otherwise be used for any purpose not connected with the waterworks. The Town shall maintain amounts in the Improvement Fund to comply with the requirements of the USDA documents as defined in and as further described in the ordinance authorizing the 2018 Bonds.

Section 17. Maintenance of Accounts; Investments. The Sinking Fund shall be deposited in and maintained as a separate account or accounts from all other accounts of the Town. The Operation and Maintenance Fund and the Improvement Fund may be maintained in a single account, or accounts, but such account, or accounts, shall likewise be maintained separate and apart from all other accounts of the Town and apart from the Sinking Fund account or accounts. All moneys deposited in the accounts shall be deposited, held and secured as public funds in accordance with the public depository laws of the State of Indiana; provided that moneys therein may be invested in obligations in accordance with the applicable laws, including particularly IC 5-13, IC 5-1.2-1 through IC 5-1.2-4, IC 5-1.2-10, IC 5-1.2-11, IC 5-1.2-14 and/or IC 5-1.2-14.5 (as applicable), and the acts amendatory thereof and supplemental thereto, and in the event of such investment the income therefrom shall become a part of the funds invested and shall be used only as provided in this ordinance. Nothing in this Section 17 or elsewhere in this ordinance shall be construed to require that separate bank accounts be established and maintained for the Funds and Accounts continued by this ordinance except that (a) the Sinking Fund and Construction Account shall be maintained as a separate bank account from the other Funds and Accounts of the waterworks and (b) the other Funds and Accounts of the waterworks shall be maintained as a separate bank account from the other funds and accounts of the Town.

Section 18. Maintenance of Books and Records. The Town shall keep proper books of records and accounts, separate from all of its other records and accounts, in which complete and correct entries shall be made showing all revenues collected from said works and all disbursements made on account of the works, also all transactions relating to said works. There shall be furnished, upon written request, to any owner of the Bonds, the most recent audit report of the waterworks prepared by the State Board of Accounts. Copies of all such statements and reports shall be kept on file in the office of the Clerk-Treasurer. Any owner of the Bonds then outstanding shall have the right at all reasonable times to inspect the works and all records, accounts, statements, audits, reports and data of the Town relating to the waterworks. Such inspections may be made by representatives duly authorized by written instrument.

If the Bonds or BANs are sold to the Authority through the IFA Program, the Town shall establish and maintain the books and other financial records of the Project (including the establishment of a separate account or subaccount for the Project) and the waterworks in accordance with (i) generally accepted governmental accounting standards for utilities, on an

accrual basis, as promulgated by the Government Accounting Standards Board and (ii) the rules, regulations and guidance of the State Board of Accounts.

Section 19. Rate Covenant. The Town covenants and agrees that it will establish and maintain just and equitable rates or charges for the use of and the service rendered by the waterworks, to be paid by the owner of each and every lot, parcel of real estate or building that is connected with and uses the waterworks by or through any part of the waterworks system of the Town, or that in any way uses or is served by the waterworks, at a level adequate to produce and maintain sufficient revenue, provided that System Development Charges shall be excluded, to the extent permitted by law, when determining if such rates and charges are sufficient so long as the Bonds are outstanding and owned by the Authority as part of its IFA Program, to provide for the proper (i) Operation and Maintenance (as defined in the Financial Assistance Agreement) of the waterworks, if the Bonds are sold to the IFA Program, and (ii) operation, repair and maintenance of the waterworks, if the Bonds are sold to a purchaser other than the IFA Program, to comply with and satisfy all covenants contained in this ordinance and, if applicable, the Financial Assistance Agreement, and to pay all obligations of the waterworks and of the Town with respect to the waterworks. Such rates and charges shall, if necessary, be changed and readjusted from time to time so that the revenues therefrom shall always be sufficient to meet the expenses of operation, repair and maintenance of the waterworks, or Operation and Maintenance of the waterworks, as the case may be, and the requirements of the Sinking Fund. The rates and charges so established shall apply to any and all use of such works by and service rendered to the Town, and all departments thereof, and shall be paid by the Town, or the various departments thereof, as the charges accrue.

Section 20. Defeasance of Bonds. If, when any of the Bonds issued hereunder shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds or any portion thereof for redemption shall have been given, and the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the Bonds or any portion thereof and coupons then outstanding shall be paid; or (i) sufficient moneys, or (ii) direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, the principal of and the interest on which when due will provide sufficient moneys, shall be held in trust for such purpose, and provision shall also be made for paying all fees and expenses for the redemption, then and in that case the Bonds issued hereunder or any designated portion thereof shall no longer be deemed outstanding or entitled to the pledge of the Net Revenues of the Town's waterworks.

Section 21. Additional Bond Provisions. The Town reserves the right to authorize and issue additional BANs at any time ranking on a parity with the BANs. The Town reserves the right to authorize and issue additional Parity Bonds, payable out of the Net Revenues of its waterworks, ranking on a parity with the Bonds, for the purpose of financing the cost of future additions, extensions and improvements to the waterworks, or to refund obligations, subject to the following conditions:

(a) All required payments into the Sinking Fund shall have been made in accordance with the provisions of this ordinance, and the interest on and principal of all bonds payable from the Net Revenues of the waterworks shall have been paid to date in accordance with their terms. The Reserve Requirement shall be satisfied for the additional Parity Bonds either at the time of delivery of the additional Parity Bonds or over a five (5) year or shorter period, in a manner which is commensurate with the requirements established in Section 15(c) of this ordinance.

(b) The Net Revenues of the waterworks in the fiscal year immediately preceding the issuance of any such Parity Bonds shall be not less than one hundred twenty-five percent (125%) of the maximum annual interest and principal requirements of the then outstanding bonds and the additional Parity Bonds proposed to be issued; or, prior to the issuance of said Parity Bonds, the water rates and charges shall be increased sufficiently so that said increased rates and charges applied to the previous year's operations would have produced Net Revenues for said period equal to not less than one hundred twenty-five percent (125%) of the maximum annual interest and principal requirements of the then outstanding bonds and the additional Parity Bonds proposed to be issued. For purposes of this subsection, the records of the waterworks shall be analyzed and all showings prepared by a certified public accountant employed by the Town for that purpose. In addition, for purposes of this subsection with respect to any Parity Bonds hereafter issued, while the Bonds remain outstanding and owned by the Authority as part of its IFA Program, Net Revenues may not include any revenues from the System Development Charges unless the Authority provides its consent to include all or some portion of the System Development Charges as part of the Net Revenues or otherwise consents to the issuance of such Parity Bonds without satisfying this subsection (b).

(c) The interest on the additional Parity Bonds shall be payable semiannually on the first days of January and July and the principal on, or mandatory sinking fund redemption dates for, the additional Parity Bonds shall be payable semiannually on January 1 and July 1.

(d) If the Bonds are sold to the Authority through the IFA Program, (i) the Town obtains the consent of the Authority, (ii) the Town has faithfully performed and is in compliance with each of its obligations, agreements and covenants contained in the Financial Assistance Agreement and this ordinance, and (iii) the Town is in compliance with its waterworks permits, except for non-compliance for which purpose the Parity Bonds are issued, including refunding bonds issued prior to, but part of the overall plan to eliminate such non-compliance.

Section 22. Further Covenants. For the purpose of further safeguarding the interests of the holders of the BANs and Bonds, it is specifically provided as follows:

(a) All contracts let by the Town in connection with the construction of said Project shall be let after due advertisement as required by the laws of the State of Indiana, and all contractors shall be required to furnish surety bonds in an amount equal to one hundred percent (100%) of the amount of such contracts, to insure the completion of said contracts in accordance with their terms, and such contractors shall also be required to carry such employer's liability and public liability insurance as are required under the laws of the State of Indiana in the case of

public contracts, and shall be governed in all respects by the laws of the State of Indiana relating to public contracts.

(b) Said Project shall be constructed under the supervision and subject to the approval of such competent engineers as shall be designated by the Town. All estimates for work done or material furnished shall first be checked by the engineers and approved by the Town.

(c) The Town shall at all times maintain its waterworks in good condition and operate the same in an efficient manner and at a reasonable cost.

(d) So long as any of the BANs or Bonds herein authorized are outstanding, the Town shall acquire and maintain insurance coverage, including fidelity bonds, to protect the waterworks and its operations. If the Bonds or BANs are sold to the Authority through its IFA Program, such insurance shall be acceptable to the Authority. All insurance shall be placed with responsible insurance companies qualified to do business under the laws of the State of Indiana. Insurance proceeds and condemnation awards shall be used to replace or repair the waterworks, unless the Authority consents to a different use of such proceeds or awards if the Bonds or BANs are held by the Authority through its IFA Program.

(e) So long as any of the BANs or Bonds are outstanding, the Town shall not mortgage, pledge or otherwise encumber such works or any part thereof, nor shall it sell, lease or otherwise dispose of any portion thereof except machinery, equipment or property which may become worn out, obsolete or no longer suitable for use in the waterworks. If the Bonds or BANs are sold to the Authority through the IFA Program, the Town shall obtain the consent of the Authority prior to the disposal of any portion of the waterworks as described herein.

(f) If the BANs or Bonds are sold to the Authority through the IFA Program, the Town shall not without the prior written consent of the Authority (i) enter into any lease, contract or agreement or incur any other liabilities in connection with the waterworks, other than for normal operating expenditures, or (ii) borrow any money (including without limitation any loan from other utilities operated by the Town) in connection with the waterworks.

(g) Except as hereinbefore provided in Section 21 hereof, so long as any of the Bonds herein authorized are outstanding, no additional bonds or other obligations pledging any portion of the revenues of said waterworks shall be authorized, executed, or issued by the Town except such as shall be made subordinate and junior in all respects to the Bonds herein authorized, unless all of the Bonds herein authorized are redeemed, retired or defeased pursuant to Section 20 hereof coincidentally with the delivery of such additional bonds or other obligations.

(h) The provisions of this ordinance shall constitute a contract by and between the Town and the owners of the Bonds and BANs herein authorized, and after the issuance of said Bonds or BANs, this ordinance shall not be repealed or amended in any respect which will adversely affect the rights of the owners of said Bonds or BANs nor shall the Town Council adopt any law, ordinance or resolution which in any way adversely affects the rights of such owners so long as any of said Bonds, BANs or the interest thereon remain unpaid. Except for the

changes set forth in Section 25(a)-(g), this ordinance may be amended, however, without the consent of BAN or Bond owners, if the Town Council determines, in its sole discretion, that such amendment would not adversely affect the owners of the BANs or Bonds; provided, however, that if the Bonds or BANs are sold to the Authority through the IFA Program, the Town shall obtain the prior written consent of the Authority.

(i) The provisions of this ordinance shall be construed to create a trust in the proceeds of the sale of the Bonds and BANs herein authorized for the uses and purposes herein set forth, and the owners of the Bonds and BANs shall retain a lien on such proceeds until the same are applied in accordance with the provisions of this ordinance and of said governing Act. The provisions of this ordinance shall also be construed to create a trust in the portion of the Net Revenues herein directed to be set apart and paid into the Sinking Fund for the uses and purposes of said fund as in this ordinance set forth. The owners of said Bonds shall have all of the rights, remedies and privileges set forth in the provisions of the governing Act hereinbefore referred to, including the right to have a receiver appointed to administer said waterworks, in the event the Town shall fail or refuse to fix and collect sufficient rates and charges, or shall fail or refuse to operate and maintain said system and to apply the revenues derived from the operation thereof, or if there be a default in the payment of the principal of or interest on any of the Bonds herein authorized or in the event of default in respect to any of the provisions of this ordinance or the governing Act.

(j) For purpose this Section 22, the term "lease" shall include any lease, contract, or other instrument conferring a right upon the Town to use property in exchange for a periodic payments made from the revenues of the waterworks, whether the Town desires to cause such to be, or by its terms (or its intended effects) is to be, (i) payable as rent, (ii) booked as an expense or an expenditure, or (iii) classified for accounting or other purposes as a capital lease, financing lease, operating lease, non-appropriation leases, installment purchase agreement or lease, or otherwise (including any combination thereof).

Section 23. Investment of Funds. The Clerk-Treasurer is hereby authorized to invest moneys pursuant to IC 5-1-14-3 and the provisions of this ordinance (subject to applicable requirements of federal law to insure such yield is the then current market rate) to the extent necessary or advisable to preserve the exclusion from gross income of interest on the Bonds and BANs under federal law. The Clerk-Treasurer shall keep full and accurate records of investment earnings and income from moneys held in the funds and accounts continued or referenced herein. In order to comply with the provisions of the ordinance, the Clerk-Treasurer is hereby authorized and directed to employ consultants or attorneys from time to time to advise the Town as to requirements of federal law to preserve the tax exclusion. The Clerk-Treasurer may pay any such fees as operating expenses of the waterworks.

Section 24. Tax Covenants. In order to preserve the exclusion of interest on the Bonds and BANs from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as existing on the date of issuance of the Bonds or BANs, as the case may be (the "Code") and as an inducement to purchasers of the Bonds and BANs, the Town represents, covenants and agrees that:

(a) The waterworks will be available for use by members of the general public. Use by a member of the general public means use by natural persons not engaged in a trade or business. No person or entity other than the Town or another state or local governmental unit will use more than 10% of the proceeds of the Bonds or BANs or property financed by the Bond or BAN proceeds other than as a member of the general public. No person or entity other than the Town or another state or local governmental unit will own property financed by Bond or BAN proceeds or will have any actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract, arrangements such as take-or-pay or output contracts or any other type of arrangement that conveys other special legal entitlements and differentiates that person's or entity's use of such property from use by the general public, unless such uses in the aggregate relate to no more than 10% of the proceeds of the Bonds or BANs, as the case may be. If the Town enters into a management contract for the waterworks, the terms of the contract will comply with Internal Revenue Service Revenue Procedure 2017-13, as it may be amended, supplemented or superseded for time to time, so that the contract will not give rise to private business use under the Code and the Regulations, unless such use in aggregate relates to no more than 10% of the proceeds of the Bonds or BANs, as the case may be.

(b) No more than 10% of the principal of or interest on the Bonds or BANs is (under the terms of the Bonds or BANs, this ordinance or any underlying arrangement), directly or indirectly, secured by an interest in property used or to be used for any private business use or payments in respect of any private business use or payments in respect of such property or to be derived from payments (whether or not to the Town) in respect of such property or borrowed money used or to be used for a private business use.

(c) No more than 5% of the Bond or BAN proceeds will be loaned to any person or entity other than another state or local governmental unit. No more than 5% of the Bond or BAN proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the Bond or BAN proceeds.

(d) The Town reasonably expects, as of the date hereof, that the Bonds and BANs will not meet either the private business use test described in paragraphs (a) and (b) above or the private loan test described in paragraph (c) above during the entire term of the Bonds or BANs, as the case may be.

(e) No more than 5% of the proceeds of the Bonds or BANs will be attributable to private business use as described in (a) above and private security or payments described in paragraph (b) above attributable to unrelated or disproportionate private business use. For this purpose, the private business use test is applied by taking into account only use that is not related to any government use of proceeds of the issue (Unrelated Use) and use that is related but disproportionate to any governmental use of those proceeds (Disproportionate Use).

(f) The Town will not take any action nor fail to take any action with respect to the Bonds or BANs that would result in the loss of the exclusion from gross income for federal tax purposes on the Bonds or BANs pursuant to Section 103 of the Code, nor will the Town act in any other manner which would adversely affect such exclusion. The Town covenants and agrees

not to enter into any contracts or arrangements which would cause the Bonds or BANs to be treated as private activity bonds under Section 141 of the Code.

(g) It shall not be an event of default under this ordinance if the interest on any Bond or BAN is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the Bonds or BANs, as the case may be.

(h) The Town represents that:

(i) The Town is a governmental unit with general taxing powers, which powers include the power to impose taxes of general applicability that, when collected, may be used for the general purposes of the Town;

(ii) The BANs and the Bonds are not private activity bonds as defined in Section 141 of the Code;

(iii) At least 95% of the net proceeds of the BANs and Bonds will be used for local governmental activities of the Town or of a governmental unit, the jurisdiction of which is entirely within the jurisdiction of the Town;

(iv) The aggregate face amount of all tax-exempt bonds (other than private activity bonds) issued by the Town and all units subordinate to the Town, including on-behalf-of issuers and subordinate entities as those terms are defined in Treasury Regulations Section 1.148-8(c)(2), is not reasonably expected to exceed Five Million Dollars (\$5,000,000) in each of calendar year 2022 or 2023; and

(v) The Town has not been formed or availed of to otherwise avoid the purposes of the Five Million Dollar (\$5,000,000) size limitation.

Therefore the Town meets the requirements of Section 148(f)(4)(D) of the Code and will not have to rebate any arbitrage profits to the United States.

(i) The Town represents that:

(i) The Bonds and the BANs are not private activity bonds as defined in Section 141 of the Code;

(ii) The Town hereby designates the Bonds and the BANs as qualified tax-exempt obligations for purposes of Section 265(b) of the Code;

(iii) The reasonably anticipated amount of qualified tax-exempt obligations (including qualified 501(c)(3) obligations and tax-exempt leases but excluding other private activity bonds) which will be issued by the Town, and all entities subordinate to the Town during 2022 or 2023 does not exceed Ten Million Dollars (\$10,000,000) in each year; and

(iv) The Town will not designate more than Ten Million Dollars (\$10,000,000) of qualified tax-exempt obligations during 2022 or 2023.

Therefore, the Bonds and the BANs qualify for the exception in the Code from the disallowance of 100% of the deduction by financial institutions of interest expense allocable to newly acquired tax-exempt obligations.

(j) These covenants are based solely on current law in effect and in existence on the date of delivery of such Bonds or BANs, as the case may be.

Section 25. Amendments with Consent of Bondholders. Subject to the terms and provisions contained in this Section and Section 22(h), and not otherwise, the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the Bonds issued pursuant to this ordinance and then outstanding shall have the right, from time to time, anything contained in this ordinance to the contrary notwithstanding, to consent to and approve the adoption by the Town of such ordinance or ordinances supplemental hereto as shall be deemed necessary or desirable by the Town for the purpose of modifying, altering, amending, adding to or rescinding in any particular any of the terms or provisions contained in this ordinance, or in any supplemental ordinance; provided, however, that if the Bonds or BANs are sold to the Authority through the IFA Program, the Town shall obtain the prior written consent of the Authority; and provided, further, that nothing herein contained shall permit or be construed as permitting:

- (a) An extension of the maturity of the principal of or interest on any Bond issued pursuant to this ordinance; or
- (b) A reduction in the principal amount of any Bond or the redemption premium or the rate of interest thereon; or
- (c) The creation of a lien upon or a pledge of the revenues of the waterworks ranking prior to the pledge thereof created by this ordinance; or
- (d) A preference or priority of any Bond or Bonds issued pursuant to this ordinance over any other Bond or Bonds issued pursuant to the provisions of this ordinance; or
- (e) A reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance; or
- (f) A reduction in the Reserve Requirement; or
- (g) The extension of mandatory sinking fund redemption dates, if any.

If the owners of not less than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of the Bonds outstanding at the time of adoption of such supplemental ordinance shall have consented to and approved the adoption thereof by written instrument to be maintained on file in the office of the Clerk-Treasurer, no owner of any Bond issued pursuant to this ordinance shall have any right to object to the adoption of such supplemental ordinance or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Town or its officers from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental ordinance pursuant to the provisions of this Section, this ordinance shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this ordinance of the Town and all owners of Bonds issued pursuant to the provisions of this ordinance then outstanding, shall thereafter be determined exercised and enforced in accordance with this ordinance, subject in all respects to such modifications and amendments. Notwithstanding anything contained in the foregoing provisions of this ordinance, the rights and obligations of the Town and of the owners of the Bonds authorized by this ordinance, and the terms and provisions of the Bonds and this ordinance, or any supplemental ordinance, may be modified or altered in any respect with the consent of the Town and the consent of the owners of all the Bonds issued pursuant to this ordinance then outstanding.

Section 26. Issuance of BANs. The Town, having satisfied all the statutory requirements for the issuance of its Bonds, may elect to issue its BAN or BANs to a financial institution, the Indiana Bond Bank, the Authority or to any other purchaser, pursuant to a Bond Anticipation Note Purchase Agreement (the "Bond Anticipation Note Agreement") to be entered into between the Town and the purchaser of the BAN or BANs. If the BANs are sold to the Authority through the IFA Program, the Financial Assistance Agreement shall serve as the Bond Anticipation Note Agreement. The Town Council hereby authorizes the issuance and execution of the BAN or BANs in lieu of initially issuing Bonds to provide interim financing for the Project until permanent financing becomes available. It shall not be necessary for the Town to repeat the procedures for the issuance of its Bonds, as the procedures followed before the issuance of the BAN or BANs are for all purposes sufficient to authorize the issuance of the Bonds and the use of the proceeds to repay the BAN or BANs. The Town Council President and the Clerk-Treasurer are hereby authorized and directed to execute a Bond Anticipation Note Agreement or Financial Assistance Agreement (and any amendments made from time to time) in such form or substance as they shall approve acting upon the advice of counsel. The Town Council President and the Clerk-Treasurer may also take such other actions or deliver such other certificates as are necessary or desirable in connection with the issuance of the BANs or the Bonds and the other documents needed for the financing as they deem necessary or desirable in connection therewith.

Section 27. Tax Exemption. Notwithstanding any other provisions of this ordinance, the covenants and authorizations contained in this ordinance (the "Tax Sections") which are designed to preserve the exclusion of interest on the BANs and Bonds from gross income under federal law (the "Tax Exemption") need not be complied with if the Town receives an opinion of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption. At the time of delivery of the BANs and Bonds, the Town Council President and

Clerk-Treasurer will execute post-issuance compliance procedures with respect to the BANs and Bonds relating to continued compliance of the Town with respect to the Tax Sections to preserve the Tax Exemption.

Section 28. Conflicting Ordinances. All ordinances and parts of ordinances in conflict herewith, except the ordinance authorizing the Outstanding Parity Bonds, are hereby repealed; provided, however, that this ordinance shall not be construed as adversely affecting the rights of the owners of the Outstanding Parity Bonds.

Section 29. Effective Date. This ordinance shall be in full force and effect from and after its adoption.

Adopted this 5<sup>th</sup> day of May, 2022.

### PURPOSE OF BORROWING AND LOAN TERMS

**Section 2.01. Amount; Purpose.** The Finance Authority agrees to Loan an amount not to exceed Three Million Eight Hundred and Twenty-Five Thousand Dollars (\$3,825,000) in aggregate principal amount to the Participant as Financial Assistance to pay for the Eligible Costs, as hereinafter described, of the Project on, and subject to, the terms and conditions contained herein. The Loan shall be used only to pay the following Eligible Costs: (a) eligible planning services for the production of a Preliminary Engineering Report ("Planning"), (b) eligible design services for the production of Plans and Specifications ("Design") and (c) eligible construction costs, including financing and legal costs ("Construction"). The Loan shall be funded solely from unallocated and available proceeds of the 2020/21/22 Grant or from other sources (including its Purchase Account and Equity Accounts) that the Finance Authority may, in its sole discretion, designate. The Loan is evidenced by the Bonds executed and delivered by the Participant contemporaneously herewith. The Bonds shall be in fully registered form, with the Finance Authority registered as the registered owner. So long as the Finance Authority is the registered owner, the principal of and redemption premium, if any, and interest on the Bonds shall be paid to the Trustee by a wire transfer referenced as follows: The Bank of New York, ABA 021 000 018, For Credit to 610026840C, Account Name: Town of Nashville Drinking Water SRF, Attn: Derick Rush. The Participant agrees to undertake and complete the Project and to receive and expend the Loan proceeds in accordance with this Agreement.

#### **Section 2.02. The Bonds.**

(a) Until paid, the Participant's Waterworks Bond Anticipation Notes, Series 2022 (the "2022 BAN") will bear interest at the per annum rate of zero percent (0%). Such interest shall be calculated on the basis of a 360-day year comprised of twelve 30-day months, and be as provided in I.C. 5-1.2-10-15 and -20. The 2022 BAN will be in the aggregate principal amount of Three Million Eight Hundred and Twenty-Five Thousand Dollars (\$3,825,000). Subject to Section 2.05 and 2.06 herein, the 2022 BAN will mature on March 31, 2025.

(b) The Bonds will be subject to redemption by the Participant as provided in the Authorizing Instrument; provided however that in no event shall the Participant exercise any provision contained in the Authorizing Instrument or the Bonds permitting a redemption of the Bonds at the option of the Participant unless and until such has been consented by the Authority. The Loan, and the Bonds evidencing it, will be subject to payment by the Participant as provided in this Agreement.

(c) The form and other terms of the Bonds will be in conformity with the Authorizing Instrument.

(d) The principal maturity of the 2022 BAN is subject to Loan Forgiveness (which evidences a portion of the Loan made hereunder) and shall be deemed forgiven and discharged on March 31, 2025 to the extent permitted by the governing provisions of the 2020/21/22 Grant, provided however that there is not then existing any default under this Agreement and the

Participant has otherwise complied with the terms and conditions of this Agreement. The Participant acknowledges that a portion of the Financial Assistance is subject to Loan Forgiveness which Financial Assistance was made available to the Participant in reliance upon information submitted to the Finance Authority by the Participant that demonstrated individual ratepayers (in the residential user rate class of the Participant that does not meet the SRF Program's affordability criteria) would have otherwise experienced a significant hardship from the increase in rates necessary to finance the Project. The Participant hereby represents the additional subsidization afforded by such Loan Forgiveness has been (and it agrees to cause such to continue to be) directed to the benefit of such individual ratepayers through the Participant's user rate system or other appropriate methods.

(f) The additional terms contained in the attached Exhibit D are applicable to this Loan (as and to the extent set forth in Exhibit D) to the same effect as if such were set forth in this section.

**Section 2.03. Disbursement Conditions.** Each of the following shall be a condition precedent to the disbursement of the Loan or any portion thereof (including from the Construction Fund):

(a) (1) With respect to procurement of professional services related to the Project to be paid from Loan proceeds, the Participant shall have complied with applicable State law and SRF Policy Guidelines. (2) With respect to procurement of all other goods and services related to the Project to be paid from Loan proceeds, the Participant shall have complied with I.C. 36-1-12 and SRF Policy Guidelines.

(b) No representation, warranty or covenant of the Participant contained in this Agreement or in any paper executed and delivered in connection with the transactions contemplated by this Agreement shall be false or inaccurate in any material respect.

(c) The Participant shall undertake and faithfully perform each of its obligations, agreements and covenants contained in this Agreement, the Authorizing Instrument and the Bonds.

(d) There shall be available to the Finance Authority uncommitted funds in an amount sufficient to satisfy the Finance Authority's obligations hereunder from the proceeds of the 2020/21/22 Grant or from other sources (including its Purchase Account and Equity Accounts) that the Finance Authority may, in its sole discretion, designate; provided however, once Loan proceeds have been deposited in the Construction Fund, such condition shall be deemed satisfied.

(e) The Participant shall have undertaken all actions necessary to comply with and satisfy the conditions and requirements for a Loan secured with money made available from the Drinking Water SRF Fund as set forth in federal and State statutes, rules and regulations, including I.C. 5-1.2-10, SRF Policy Guidelines, the Safe Drinking Water Act and 40 C.F.R. Part 35.

(f) Prior to making any Loan disbursement to pay any Construction costs, the Project shall have been approved by the State's Historical Preservation Officer in a manner consistent with the policies and practices of the Drinking Water SRF Program (the "Historical Preservation Approval"). Notwithstanding any provision of this Agreement to the contrary, in the event a Historical Preservation Approval has not been given within four (4) months after the date of this Agreement, the Finance Authority may, in its sole discretion, (i) reduce the aggregate amount of the Loan to the amount then disbursed and outstanding under this Agreement and (ii) if any amounts are held in the Construction Fund, require a Loan Reduction Payment pursuant to Section 2.06 herein as if it were a date that was three (3) years after the dated date of the Bonds. Upon giving notice to the Participant of such action, no further Loan disbursement (including from the Construction Fund) may be made under this Agreement unless consented to by the Finance Authority.

(g) In the event the Bonds are payable from rates and charges of the Drinking Water System and if requested by the Finance Authority, the Participant shall provide evidence satisfactory to the Finance Authority demonstrating that such rates and charges are at a level adequate to produce and maintain sufficient net revenue after providing for the proper Operation and Maintenance of the Drinking Water System, on a proforma basis consistent with SRF Policy Guidelines, to provide 1.25x coverage on all obligations of the Drinking Water System (including the Bonds).

**Section 2.04. Disbursement Procedures.** Loan proceeds (including any held from time to time in the Construction Fund) shall be disbursed to the Participant by the Disbursement Agent for actual Eligible Costs incurred with respect to the Project. The Finance Authority may, in its discretion, cause Loan disbursements to be made (a) directly to the person or entity identified in the Disbursement Request to whom payment is due, or (b) if advised in writing by the Participant that I.C. 36-1-12-14 or a similar law applies to the Project, to the Participant for purposes of collecting retainage, or some combination thereof. Any Loan proceeds in excess of the amount subject to retainage controlled by the Participant will be immediately remitted to the person or entity to whom payment is due, no later than three (3) Business Days after receipt or the date such Loan proceeds are no longer subject to retainage. The Finance Authority may, in its discretion, cause Loan disbursements to be made from time to time, in whole or in part, to the Participant's Construction Fund for disbursement consistent with this Agreement. Loan disbursements shall not be made more frequently than monthly and shall only be made following the submission of a Disbursement Request to the Finance Authority. Disbursement Requests shall be approved by the Director of Environmental Programs prior to submission to the Disbursement Agent for a Loan disbursement. Disbursement Requests shall be numbered sequentially, beginning with the number 1.

**Section 2.05. Effect of Disbursements.** Loan disbursements made to or for the benefit of the Participant shall be deemed to be a purchase of the Bonds unless cost related to a disbursement has been designated as not eligible for funding from the 2020/21/22 Grant. The deposit of Loan proceeds in the Construction Fund shall be deemed to be a purchase of the Bonds. Interest on the Loan commences on disbursement of the Loan to or for the benefit of the Participant (including any amounts disbursed to the Construction Fund) by the Finance Authority and the Bonds shall be deemed to be purchased in the full amount thereof. Each disbursement (including

any amounts disbursed from the Construction Fund) shall be made pursuant to a Disbursement Request. In the event any Loan disbursement (including any amounts disbursed from the Construction Fund) shall be made in excess of Eligible Costs, such excess disbursements shall be immediately paid by the Participant to the Disbursement Agent (and if made from any amounts held in the Construction Fund, shall be immediately deposited by the Participant into such Construction Fund) and thereafter may, subject to the terms and conditions set forth in this Agreement, be applied thereafter to pay Eligible Costs of the Project by the Participant.

**Section 2.06. Acknowledgment of Amount of Loan; Final Disbursement.** (a) Within 30 days after any request by the Finance Authority from time to time, the Participant shall execute and deliver to the Finance Authority an acknowledgment in the form prescribed by the Finance Authority which acknowledges the outstanding principal of and interest on the Bonds. Unless the Finance Authority consents in writing, no Loan disbursement shall be made more than one year after Substantial Completion of Construction. After Substantial Completion of Construction, upon the request of the Finance Authority, the Participant shall replace, at its expense, the Bonds with substitutes issued pursuant to the Authorizing Instrument to evidence the outstanding principal under the Loan.

(b) In the event there remains a balance (inclusive of Loan proceeds and any earnings) in the Construction Fund on the date that is the earlier of (i) one year after Substantial Completion of Construction or (ii) three (3) years after the dated date of the Bonds (or in either such circumstance, such later date as the Finance Authority may approve in its discretion), the Participant agrees to make a Loan Reduction Payment to the Finance Authority within 10 days after any Finance Authority written demand. If the Authorizing Instrument permits the Participant to apply Bond proceeds to pay interest accruing on or before Substantial Completion of Construction, the Participant may seek to reimburse itself for such interest costs it has paid pursuant to a Disbursement Request. If the Participant fails to make such Loan Reduction Payment by such date, the Finance Authority and Deposit Agreement Counterparty are authorized to cause any balance held in the Construction Fund to be so applied without further direction and authorization from the Participant. Notwithstanding the foregoing, if requested by the Finance Authority, in lieu of the Participant making a Loan Reduction Payment, the Finance Authority may in its discretion require the Participant to hold any remaining balance (inclusive of Loan proceeds and any earnings) in the Construction Fund until such amounts may be applied on the first optional redemption date applicable to the Bonds, and upon any such request, the Participant agrees to cause such amounts to be so held and applied on such date.

(t) (i) comply with Title 40 CFR Part 34 (New Restrictions on Lobbying) and the Byrd Anti-Lobbying Amendment ("Lobbying Restrictions"); (ii) provide certifications and disclosures related to Lobbying Restrictions in a form and manner as may from time to time be required by SRF Policy Guidelines or the Safe Drinking Water Act including without limitation the Lobbying Restrictions; and (iii) pay any applicable civil penalty required by the Lobbying Restrictions as may be applicable to making a prohibited expenditure under Title 40 CFR Part 34, or failure to file any required certification or lobbying disclosures. The Participant understands and acknowledges that pursuant to such Lobbying Restrictions, the making of any such prohibited expenditure, or any such failure to file or disclose, is subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure or failure.

(u) Comply with all federal requirements applicable to the Loan (including those imposed by the 2014 Appropriations Act and related SRF Policy Guidelines) which the Participant understands includes, among other, requirements that all of the iron and steel products used in the Project are to be produced in the United States ("American Iron and Steel Requirement") unless (i) the Participant has requested and obtained a waiver from the Agency pertaining to the Project or (ii) the Finance Authority has otherwise advised the Participant in writing that the American Iron and Steel Requirement is not applicable to the Project.

(v) Comply with all record keeping and reporting requirements under the Safe Drinking Water Act, including any reports required by a Federal agency or the Finance Authority such as performance indicators of program deliverables, information on costs and project progress. The Participant understands that (i) each contract and subcontract related to the Project is subject to audit by appropriate federal and state entities and (ii) failure to comply with the Safe Drinking Water Act and this Agreement may be a default hereunder that results in a repayment of the Loan in advance of the maturity of the Bonds and/or other remedial actions.

(w) Whenever from time to time requested by the Finance Authority, submit evidence satisfactory to the Finance Authority demonstrating that the Participant's rates and charges are at a level adequate to produce and maintain sufficient net revenue after providing for the proper Operation and Maintenance of the Drinking Water System, on a proforma basis consistent with SRF Policy Guidelines, to provide 1.25x coverage on all obligations of the Drinking Water System (including the Bonds) and, in the event the Participant's rates and charges are insufficient to demonstrate such coverage, then to the extent permitted by law annually enact an increase in its rates and charges reasonably

designed to be consistent with SRF Policy Guidelines regarding such coverage.

(x) Notwithstanding any provision of the Authorization Instrument to the contrary, not make any payment in lieu of property taxes from any account of the Drinking Water System (i) if the Finance Authority provides notice to the Participant that the Finance Authority has determined in its reasonable discretion that such a transfer adversely affects the Finance Authority and (ii) more frequently than semiannually if the Authority provides notice to the Participant so requiring such a limitation on frequency.

(y) Comply with all requirements of this Agreement applicable to the Loan (including those imposed by the attached Exhibit D).

**Section 3.03. Representations and Warranties of the Participant.** After due investigation and inquiry, the Participant hereby represents and warrants to the Finance Authority that:

(a) The Participant is duly organized and existing under State law, and constitutes a “political subdivision” within the meaning of I.C. 5-1.2-2-57 and a “participant” within the meaning of I.C. 5-1.2-2-54. The Project and the Drinking Water System are subject to I.C. 8-1.5.

(b) The Participant and its Drinking Water System are not subject to the jurisdiction of the Commission under I.C. 8-1-2 or any other applicable law and the Project and the Bonds are not subject to the Commission’s review and approval requirements. If the Participant or its Drinking Water System is subject to the jurisdiction of the Commission under I.C. 8-1-2 or any other applicable law, the Commission has reviewed and approved the Project and the issuance of the Bonds and no additional approvals or consents are required to be obtained from the Commission related thereto.

(c) The Participant has full power and authority to adopt the Authorizing Instrument, enter into this Agreement and issue the Bonds and perform its obligations hereunder and thereunder.F

(d) By all required action, the Participant has duly adopted the Authorizing Instrument and authorized the execution and delivery of this Agreement, the Bonds and all other papers delivered in connection herewith.

(e) Neither the execution of, nor the consummation of the transaction contemplated by, this Agreement nor the compliance with the terms and conditions of any other paper referred to herein, shall conflict with, result in a breach of or constitute a default under, any indenture, mortgage, lease, agreement or instrument to which the Participant is a party or by which the Participant or its property, including the Drinking Water System, is bound or any law, regulation, order, writ, injunction or decree of any court or governmental agency or instrumentality having jurisdiction.

(f) There is no litigation pending or, to the knowledge of the Participant, upon investigation, threatened that (1) challenges or questions the validity or binding effect of this Agreement, the Authorizing Instrument or the Bonds or the authority or ability of the Participant to execute and deliver this Agreement or the Bonds and perform its obligations hereunder or thereunder or (2) would, if adversely determined, have a significant adverse effect on the ability of the Participant to meet its obligations under this Agreement, the Authorizing Instrument or the Bonds.

(g) The Participant has not at any time failed to pay when due interest or principal on, and it is not now in default under, any warrant or other evidence of obligation or indebtedness of the Participant.

(h) All information furnished by the Participant to the Finance Authority or any of the persons representing the Finance Authority in connection with the Loan or the Project is accurate and complete in all material respects including compliance with the obligations, requirements and undertakings imposed upon the Participant pursuant to this Agreement.

(i) The Participant has taken or will take all proceedings required by law to enable it to issue and sell the Bonds as contemplated by this Agreement.

(j) For any outstanding bonds payable from the revenues of the Drinking Water System which are on a parity with the Bonds, each Credit Provider, if any, that has provided a Credit Instrument is at least rated on a long term basis "A-/A3" long term by Standard & Poor's Ratings Services, a Division of the McGraw-Hill Companies and Moody's Investors Service, Inc., and their successors, except as represented and set forth in Exhibit C attached thereto (and with respect to which true, accurate and complete copies of each such Credit Instrument have been delivered to the Finance Authority).

Each of the foregoing representations and warranties will be deemed to have been made by the Participant as of the date of this Agreement and as of the date of any disbursement of Loan proceeds (including from the Construction Fund). Each of the foregoing representations and warranties shall survive the Loan disbursements regardless of any investigation or investigations the Finance Authority may have undertaken.

**Section 3.04. Covenants Regarding Assignment.** The Participant acknowledges that the Finance Authority may pledge, sell or assign the Bonds or cause the Bonds to be pledged, sold or assigned, and certain of its rights related thereto, as permitted pursuant to Section 5.02 herein. The Participant covenants and agrees to cooperate with and assist in, at its expense, any such assignment. Within 30 days following a request by the Finance Authority, the Participant covenants and agrees with the Finance Authority that the Participant will, at its expense, furnish any information, financial or otherwise, with respect to the Participant, this Agreement, the Authorizing Instrument and the Bonds and the Drinking Water System as the Finance Authority reasonably requests in writing to facilitate the sale or assignment of the Bonds.

**Section 3.05. Nature of Information.** All information furnished by the Participant to the Finance Authority or any person representing the Finance Authority in connection with the Loan

or the Project may be furnished to any other person the Finance Authority, in its judgment, deems necessary or desirable in its operation and administration of the Drinking Water SRF Program.

**Section 3.06. Tax Covenants.** The Participant hereby covenants that it will not take, or cause or permit to be taken by it or by any party under its control, or fail to take or cause to permit to be taken by it or by any party under its control, any action that would result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds pursuant to Section 103 of the Code. The Participant further covenants that it will not do any act or thing that would cause the Bonds to be “private activity bonds” within the meaning of Section 141 of the Code or “arbitrage bonds” within the meaning of Section 148 of the Code. In furtherance and not in limitation of the foregoing, the Participant shall take all action necessary and appropriate to comply with the arbitrage rebate requirements under Section 148 of the Code to the extent applicable to the Participant or the Bonds, including accounting for and making provision for the payment of any and all amounts that may be required to be paid to the United States of America from time to time pursuant to Section 148 of the Code.

**Section 3.07. Non-Discrimination Covenant.** Pursuant to and with the force and effect set forth in I.C. 22-9-1-10, the Participant hereby covenants that the Participant, and its contractor and subcontractor for the Project, shall not discriminate against any employee or applicant for employment, to be employed in the performance of this Agreement, with respect to the hire, tenure, terms, conditions or privileges of employment, or any matter directly or indirectly related to employment, because of race, color, religion, sex, disability, national origin or ancestry.

**Section 4.02. Effect of Default.** Failure on the part of the Finance Authority in any instance or under any circumstance to observe or perform fully any obligation assumed by or imposed upon the Finance Authority by this Agreement or by law shall not make the Finance Authority liable in damages to the Participant or relieve the Participant from paying any Bond or fully performing any other obligation required of it under this Agreement or the Authorizing Instrument; provided, however, that the Participant may have and pursue any and all other remedies provided by law for compelling performance by the Finance Authority of such obligation assumed by or imposed upon the Finance Authority. The obligations of the Finance Authority hereunder do not create a debt or a liability of the Finance Authority or the State under the constitution of the State or a pledge of the faith or credit of the Finance Authority or the State and do not directly, indirectly or contingently, obligate the Finance Authority or the State to levy any form of taxation for the payment thereof or to make any appropriation for their payment. Neither the Finance Authority or the State, nor any agent, attorney, member or employee of the Finance Authority or the State shall in any event be liable for damages, if any, for the nonperformance of any obligation or agreement of any kind whatsoever set forth in this Agreement.

**Exhibit D**  
**Additional Terms**

A. *The following additional terms in this Paragraph A are NOT applicable to the Loan:*

**“Equivalency Project”** shall mean a project designated by the Finance Authority as an “equivalency project” under the Safe Drinking Water Act related to the “US Environmental Protection Agency Capitalization Grant for Drinking Water State Revolving Funds” for the federal fiscal year ending September 30, 2022 (or such later federal fiscal year as the Finance Authority may otherwise designate).

The Participant understands and acknowledges that the Project has been designated as an Equivalency Project and is required to meet the related applicable requirements of the Safe Drinking Water Act.

The Participant further understands and agrees that it is required to comply with all terms of 2 CFR 200.216, Prohibition on certain telecommunication and video surveillance services or equipment, which among other requirements prohibits the use of Loan proceeds by the Participant to procure (by means of entering into, extending, or renewing contracts) or obtain equipment, systems or services that use “covered telecommunications equipment or services” identified in the regulation as a substantial or essential component of any Drinking Water System, or as critical technology as part of any Drinking Water System. Such prohibitions extend to the use of Loan proceeds by the Participant to enter into a contract with an entity that “uses any equipment, system, or service that uses covered telecommunications equipment or services” as a substantial or essential component of any Drinking Water System, or as critical technology as part of any Drinking Water System. The Participant represents and warrants that it has not procured or obtained from Loan proceeds equipment, systems or services that use “covered telecommunications equipment or services” identified in the regulation as a substantial or essential component of any Drinking Water System, or as critical technology as part of any Drinking Water System.

B. *The following additional terms in this Paragraph B related to GPR Projects (and the related defined terms) are NOT applicable to the Loan.*

**“GPR Projects”** shall mean Project components that meet the requirement of the “Green Project Reserve (GPR) Sustainability Incentive Program” consistent with SRF Policy Guidelines including applicable requirements of the Drinking Water SRF Act.

**“GPR Projects Adjustment Fee”** shall mean an amount which would equal the gross additional interest that would have accrued on the Bonds from the date of this Agreement through their scheduled final maturity, had such Bonds been issued at an interest rate determined under the Drinking Water SRF Program’s interest rate policies and practices using the final, actual GPR Projects Expenditures (rather than the amount referenced in the Participant’s business case or categorical exclusion posted at [www.srf.in.gov](http://www.srf.in.gov)), all as determined by the Finance Authority.

**“GPR Projects Expenditures”** shall mean those costs and expenses incurred by the Participant that are part of the Project which are GPR Projects in nature (within the meaning of the Drinking Water SRF Act) as determined by the Finance Authority, in order for the Bonds to receive special interest rate treatment under the Drinking Water SRF Program’s interest rate policies and practices.

The Participant understands and acknowledges that a special interest rate has been applied to the Bonds as a result of a portion of the Project having been identified by the Participant as being a GPR Projects project. In the event GPR Projects Expenditures are hereafter determined by the Finance Authority to be less than the amount referenced in the Participant’s business case or categorical exclusion, then the Finance Authority may request and the Participant shall promptly pay (no later than thirty (30) days after any request), a GPR Projects Adjustment Fee in connection with the Loan. The Participant shall certify to the Finance Authority those Loan disbursements it represents to be its GPR Projects Expenditures when and as required by SRF Policy Guidelines. **“LLR Projects”** shall mean Project components that meet the requirement of the “Lead Line Replacement (LLR) Incentive Program” consistent with SRF Policy Guidelines including applicable requirements of the Drinking Water SRF Act.

**“LLR Projects Adjustment Fee”** shall mean an amount which would equal the gross additional interest that would have accrued on the Bonds from the date of this Agreement through their scheduled final maturity, had such Bonds been issued at an interest rate determined under the Drinking Water SRF Program’s interest rate policies and practices using the final, actual LLR Projects Expenditures (rather than the amount referenced in the Participant’s related post-bid and other documents submitted to the Finance Authority), all as determined by the Finance Authority.

**“LLR Projects Expenditures”** shall mean those costs and expenses incurred by the Participant that are part of the Project which are LLR Projects in nature (within the meaning of the Drinking Water SRF Act) as determined by the Finance Authority, in order for the Bonds to receive special interest rate treatment under the Drinking Water SRF Program’s interest rate policies and practices.

The Participant understands and acknowledges that a special interest rate has been applied to the Bonds as a result of a portion of the Project having been identified by the Participant as being a LLR Projects project. In the event LLR Projects Expenditures are hereafter determined by the Finance Authority to be less than the amount referenced in the Participant’s related post-bid and other documents submitted to the Finance Authority, then the Finance Authority may request and the Participant shall promptly pay (no later than thirty (30) days after any request), a LLR Projects Adjustment Fee in connection with the Loan.
