

**NASHVILLE TECHNICAL REVIEW COMMITTEE MEETING
FRIDAY, JANUARY 12, 2024**

Commission Members present: Member Bruce Gould, Member Shelly Benson Also in attendance: Clint Hammes (Hard Truth Hills, Lacy Hazelgrove (BCVFD) and Administration Manager Phyllis Carr.

COMMITTEE BUSINESS

1. CALL TO ORDER

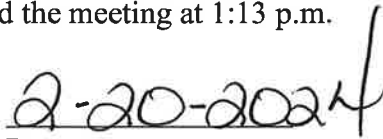

Meeting called to order at 1:00 pm by Member Gould.

Clint Hammes stated they are proposing to construct 24' x 45' stillage separation building with a holding tank. The solids will be hauled off to farmers and the liquid will go to the holding tank. They will be using the same materials and colors as the rack houses. There will be an exterior light on the building. Front portion of the building will remain open and the back will be closed. Concrete will be used around the building with some gravel in areas. There will be no natural gas in this building.

Administration Manager Carr advised the Public Hearing will take place on Tuesday, January 30, 2024 at 6:00 p.m.

With no other business to discuss, Member Gould adjourned the meeting at 1:13 p.m.
