**1) CALL TO ORDER**

President Scroggins called the meeting to order at 5:00 p.m.

Chris Ritzman, Planning Commission Director, updated the Commission regarding the changes to sign ordinances. The Commission can control size, placement of signs and colors, but we cannot control content.

Political signs can be erected sixty (60) days prior to an election and the candidate can have as many political signs as they wish.

The Commission can no longer regulate off premise signage. Further discussion.

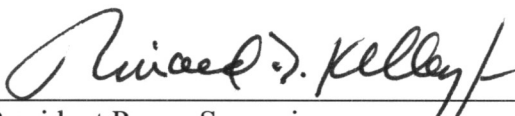

Debbie Luzier, consultant with GRW, Inc., submitted information concerning updates to the sign code. Each Commission Member was asked to review the information and to write down their thoughts for the work session in May 2018.

With nothing further to discuss, the meeting was adjourned at 5:53 p.m.

**ADJOURNMENT**

President Scroggins adjourned the work session at 5:55 p.m.
