

FOOD & BEVERAGE MEETING

August 14, 2018

6:00 pm

Attendance: Lamond Martin, Gloria Dobbs, Matt Gray (6:10) and Phyllis Carr.

Meeting called to order by Lamond Martin at 6:10 p.m.

Gloria made a motion to approve the minutes from the July 10, 2018 meeting as presented, Matt seconded the motion. Motion carried.

Lamond advised we were getting quotes for crack sealing of the Washington Street Parking lot, Pittman House Lane lot along with have striping redone.

Robb Besosa's bid has been received for the map stands. His quote came in at \$1275.00 for all 3 stands. We are still waiting on the quote from Josh McCulley. The map stand at Washington Street lot needs to be removed and brought up to Town Hall

Discussion of the maps to be installed on the map stands. After reviewing the map it was noted some businesses were not included and some of the businesses were in the wrong location. Commission Members would like to see Hard Truth Hills & Maple Leaf included or some type indicator of where these businesses are locator and to remove the County portion of the map since the maps are referring to the businesses in Town. Free parking lots need to be mentioned.

Lamond asked that a sticker for the Emergency Exit be purchased for the Village Green Restrooms.

Lamond advised the Food & Beverage Commission gave a \$1,000.00 towards the upgrade of the new computer system for the Clerk-Treasurer's Office.

No update on the By-laws.

With nothing further to discuss, Gloria made a motion to adjourn, Matt seconded the motion. Motion carried. Meeting adjourned at 6:31 p.m.

Lamond Martin
