4. SIGN APPLICATION

A. CENTRA CREDIT UNION – KEVIN SIMS – E. MAIN & COMMERCIAL ST. – DOCKET #20-09

Kevin Sims with Green Signs and Sharon Taylor of Centra Credit Union were present to represent the application. They are proposing to place a sign at the corner of E. Main and Commercial St. New cedar posts will be installed. The sign will be made of HDU panels – vinyl – fasteners with blue, antler velvet and green colors. They would like to install the proposed 84 sq. ft. sign since it looks more appealing. President Brandon Harris suggested to have the ATM portion of the sign be hung by chains which would reduce the size of the main sign.

Member Martin made a motion to table the sign application for Centra Credit Union – Docket #20-09 until a smaller sign could be designed. Member Stephens seconded the motion. All were unanimously in favor.

Once the new design is received, Administration Carr will email the information to the Commission for their input. If all in agreement with the new design, the sign can be approved in-house.
