RE: Village Green – A159-17-PBI-1003

Dear Brenda:

I am pleased to inform you that there have been no findings in the final monitoring of your Place Based Investment Fund project. A monitoring took place on **February 2, 2018** initiated by **Colette Childress**, an OCRA Project Manager who approved the project's completion. A secondary monitoring was completed by **Adam Moschell**, Grant Services Program Manager on **October 31, 2018**. At this time there are no more requirements of your community for this PBIF Grant.

A final balance of **\$16,821.78** was left over from the original grant dollars. The Town of Nashville is permitted to use these dollars on future Park Improvement endeavors outside of the original 17-PBI-1003 scope of work.

OCRA and IOTD were delighted to award this grant and hope your community will benefit from the improvements. We thank you for your hard work and dedication to the rural community and Indiana based destination tourism.

Should you have any further questions about the award or grant agreement, please contact me in Grant Services at 317-232-8772 or AMoschell@lg.in.gov.

Congratulations on your award!

Best Wishes,
