

# **NASHVILLE METROPOLITAN POLICE DEPARTMENT COMMISSION**

**Minutes Sept 9, 2016**

Meeting called to order: 10:08

Members present: Tom Crawford, Roger Kelso, Ken Welding & Dave Derbyshire

Discussion of fundraising ideas:

Many different ideas were discussed from GoFundMe accounts to different community events. The refinancing of the Police Department building was discussed and Roger stated that in talking to someone at the bank the money could be borrowed by refinancing the building for the total amount needed to do the retirement program, repair the roof and paying off the building. This could be done and not increase the yearly payment, but extend the payoff time of the mortgage. This seemed to be the best option because of the time constraints on the retirement program of January 1, 2017.

The meeting was adjourned at 11:05

Respectively submitted

Dave Derbyshire
